Ontario Hospital Eleven Downs Windsor Team in Exhibition.

RAIN INTERFERES

Saturday's S. W. O. C. L. game between C. N. k. and St. Georges at the realroaders' field resulted in a draw when the match had to be cauled off, owing to darkness.

C. N. R. opened the game, with W. Harper and B. Birchall to the bowling of Tayler and Hughes. St. Georges started to get wickets early, half the C. N. R. wickets being down for 23 runs. Widdicombe and Balsh, coming together, doubled the score for the sixth wicket. Hughes was bowling splendidly, but not getting support from his fielders. C. N. R. completed their innings for 65 runs.

C. N. R. completed their innings for 68 runs.

Rain delayed the start of St. Georges' innings. Howarth and Watkins made a good start. They shared seven overs before being parted at 10. Green made runs very hard to get, owing to the pace of his ball and the bad light. G. F. Tomlin was mainly responsible for a drawn game, staying nearly an hour for his 15 runs.
