Attorney-General of British Columbia At a matter of fact, they are nothing passing through the lamps returns to the has not yet been named officially, rumor has not yet been named officially, rumor still passing about the names of legal still passing about the names of legal still passing about the names of legal to the bundle. If you will take the trouble to notice it you will see that gentlemen affiliated with the Semlin government, and some who are not allied to the party in power. The Lieutenant-Governor and Premier, from one of whom the first announcement must come, both stated last evening that nothing of importance had transpired. The questive seminary of the bundle. If you will take the trouble to notice it, you will see that the laundryman always goes through exactly the same programme. He takes the package, gives you a swift, comprehensive glance, and then proceeds to decorate a slip of rice paper with from two to five India-ink chickentracks. What he has written is probable to notice it, you will see that the laundryman always goes through exactly the same programme. He takes the package, gives you a swift, comprehensive glance, and then proceeds to decorate a slip of rice paper with from two to five India-ink chickentracks. What he has written is probable to notice it, you will see that the laundryman always goes through exactly the same programme. He takes the package, gives you as wift, comprehensive glance, and then proceed the proposition of the proceeding the proceeding the proceeding the procedure of the procedu gentlemen affiliated with the Semlin gov-

importance had transpired. The ques-tion as to whether a successor had been bly something like this:

"Fat foreign devil who resembles a pig:- squinty eyes and wart on the left side of his nose."

"You can carry around this flattering 

Were it not for the fact that New Westminster is a rather dangerous constituency to open at present, especially call for your wash you will find the Chinaman who reads the ticket will inwith Mr. Henderson as a candidate, it is probable that he would be the next attorney-general. In fact yesterday's News-Advertiser, Hon. F. Carter-Cotton's paper, contained the following spendard in 'Frisco put me onto the the scheme, and I took the trouble to learn whether he was tellling me the truth. I got a laundry slip, copied it with microscopic fidelity and submitted it to several expert native translators. They all agreed that it ran something like this:

"Ridiculous old man; very pompous;

"Ridiculous old man; very pompous; bald head like a speckled egg."
"You will observe that my hair grows rather high on my forchead, and I have a few freckles, although nothing to justify such an insulting description. However, it proved the point. The next ticket I got declared that I was 'an elderly published the government's plans, for being interviewed on the subject here gentleman resembling Yum-Tai, the wind god,' which pleased me immensely until I persuaded a native curio dealer yesterday, Mr. Cotton stated that the to show me a statueette of the deity. yesterday, Mr. Cotton stated that the despatch is not correct—which denial would be strictly in order, for instance, if formal acceptance had not been made by Mr. Henderson until he had canvassed his chances for re-election.

\*\*Then I wanted to murder the laundryman. The Chinese are a deep people, boys. They look as demure as guineapigs, but all the while they are quietly sizing us up and having a big laugh in their sleeves, which are made wide for that special purpose."

STEALING LIGHT.

Miss Bessie Shoemaker, of Spokane, A Money-saving Device Now Popular in Montreal.

From the Montreal Gazette. Miss Bessie, Shoemaker, a pretty girl Miss Bessie, Shoemaker, a pretty girl of 16, who has been in Victoria since Sunday, left for Spokane last evening in charge of Officer Brimgoll, of that city. The girl ran away from home, and had intended staying in Victoria in company with a woman friend, whom she has left behind. Her parents, however, learned of her presence in this city, and when Officer Brimgoll arrived last evening he had little trouble, with the assistance of Officers Walker and Redgrave, in locating the girl. She and her friend were met by the officers in a restaurant, where Miss Bessie parted with her acquaintance. When told that she would There is one commodity in the Montreal not aimed against larceny and several persons now under surveillance for taking the stuff without the consent of the manufacturers, but they are not and cannot be classed as thieves. The commodity is electricity. Gas can be stolen by the bucketful and is every day in the week. Thousands of feet of the Gas Company's product is every year diverted from the meters and used illegally. But the cleverest thief cannot steal electricity. He may tap the wires of either the Lachine Hydraulic, the Imperial or the Royal Electric companies and use the "fluid" to light his saloon, was formed with Mr. Malins as G. C. T.

Its poncy is the other of which he is head at his finger ends. Thirty-three years ago he came to America as a journeyman painter, shortly afterwards joining the order. Seeing its great adaptability for the people of the old land, he determined to return and do what he could to establish it. The first lodge was established in Birmingham three months after his return. The order grew slowly but surely until, the Imperial or the Royal Electric companies and use the "fluid" to light his saloon, and stead of the commodity is gleetridely. Gas can be stolen by the bucketful and is every day in the week. The commodity is gleetridely. Gas can be stolen by the bucketful and is every day in the week. The commodity is gleetridely. been taken, the objectors to the closing of the road are preparing a petition to Messrs. C. E. Pooley and D. W. Higurge the government to intercede to prevent the contemplated closing. It is urged that Craigflower road is nature of a trunk road from the city into Esquimalt district, and that its main-tenance for traffic thus becomes a matter f provincial concern.

TO THE FAR EAST.

Distinguished Travellers on the Empress of India Sailing Last Evening.

The C. P. R. steamship Empress of India called at the outer wharf at 8 o'clock last evening, on her way to the Far East. She was well loaded with freight and passengers, prominent among them being a party of Easterners, composed of Alfred J. Vanderbilt, son of Cornelius Vanderbilt, Douglas Cochran, of Harvard football fame, and Ernest Iselin, of Columbia University, a nephew of the owner of the crack yacht Columbia. As announced in press despatches, the party are on an extensive tour, and one point of interest which they will not omit in their travels will be the Philippines. They will also visit Siberia, and will take a hunting tour through Abyssinia. D. D. Mann, the well-known railroad contractor; Hon. K. Kaneko, of Japan, who has been touring throughout America, and Mr. Nosse, the new Japanese consul for Korea, formerly serving as consul for Brit-ish Columbia at Vancouver, and later as consul at Chicago, were among other consul at Chicago, were among other distinguished passengers. Still other travellers occupying saloon accommodation were: J. T. Broadbent, Mr. Bradstreet, W. Pierce, H. J. Coonley, G. Condon, George Lees, W. Sakaroff, D. D. Mann and party, M. B. Blake, Miss Rutherford, Dr. Lelia Doolittle, Mrs. Melrose, Miss Crawford, A. G. Vanderbilt, E. Iselin, W. P. Burden, F. D. Cochran, Hon. K. Kaneko, Mr. Wheelwright, Mr. and Mrs. Layton, Mr. E. Cochran, Hon. K. Kaneko, Mr. Wheel-wright, Mr. and Mrs. Layton, Mr. E. Keliner, A. Finlay Smith, Mrs. E. B. Sampson, Mr. Deffendorfer, J. E. L. Tatheson, S. Houghton, Mr. Sharpe, Mr. Hutchinson, Mr. J. D. Hutchinson, Mr. and Mrs. Nosse and child, Professor S. Watase, Mr. Horokoshi, Mr. E. Nordheimer, Rev. F. P. Gillman. The India was full of general cargo, and only rewas full of general cargo, and only re-mained here while receiving mained here
