MEMORIAM.
In loving memory of our daughter and sister, Mrs. Sadie Hachey who died on the 9th of April, 1922. One precious to our heart has gone. A voice we loved is still. A place is vacant in our home, Which never can be filled.
—Parents, Brothers, Sisters.

THIS YEAR AND LAST.
The ice ran out of the Redoubt River last year on April 14th. The general opinion is that, owing to the severe winter and the tarry advent of spring, nature's winter bridge will not move out to sea before the end of the month this year, thus being over two weeks behind 1922. An old pioneer, however, has put in a comforting clause: "But you can never tell."

DIED IN MONCTON.
Thomas J. Gallagher died at his home in Moncton on Thursday, aged fifty-one years. The deceased had been working in St. John as an insurance agent and went to his home about a week ago ill. He was a son of Patrick Gallagher, former proprietor of the Minto Hotel in Moncton. A widow, one son and two sisters survive. Mrs. R. H. McGrath of this city is a sister.

A NECESSITY.
When a merchant talks about "affording" advertising he is getting ready for the live merchant to take his trade away from him. People do not "afford" advertising any more than a man who needs a suit of clothes "affords" them. It is not a question of "affording" advertising, it is a vital necessity.

HARDSHIPS IN LUMBER CAMPS.
Quebec, April 7.—Serious hardships are being experienced in lumber camps along the North Shore as a result of the delay of one month in the arrival of spring food supplies. Men are now on short rations. A record cut is also reported in the district.
