Vapo-Cresolene

Whooping Cough, Croup, Bronchitis
Cough, Grip, Asthma, Diphtheria
Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a
remedy to cure disease of the breathing organs
than to take the remedy into the stomach?
It cures because the air rendered strongly anti-
septic is carried over the diseased surface with
every breath, giving prolonged and constant treat-
ment. It is invaluable to mothers with small
children.
Those of a consumptive
tendency find immediate
relief from coughs or in-
flamed conditions of the
throat.

Another Case That Proves The
Merit of
FERROZONE

"I was in poor health nearly all last
winter," writes Mrs. Cross, of Wakefield,
Ont. "My appetite was variable, I was
weak and unfit for work. I suffered a
good deal from nervous prostration and
palpitation of the heart. My digestion was
generally out of order. By springtime I
had lost flesh, color, and had a bad cough.
The doctor didn't help me very much, so I
decided to try Ferrozone. It did me ever
so much good in one week. I gained
strength, looked and felt a lot better.
When I had used six boxes of Ferrozone I
weighed myself and found a gain of fifteen
pounds. Ferrozone rebuilt my constitution
and made me a new woman. I consider
Ferrozone worth its weight in gold to every
weak woman. It cures quickly and saves
big doctor's bills. (MRS.) R. CROSS."
No tonic so certain, so helpful, so safe;
try Ferrozone yourself, 50c per box at all
dealers.

Why DO You Faint?

Sometimes from shock or fright, but
usually because the system is weakened and
depressed,—it lacks power to react from
sudden strain. This condition demands re-
building, demands nourishment, which is
best supplied by Ferrozone. In every form
of debility Ferrozone is a specific. It forti-
fies the digestive and assimilative power
of the body, promotes the elimination of
waste materials, builds up tissue, gives
energy and resistance. To have rich, red
blood, enduring nerves, a strong constitu-
tion and lasting good health, use Ferrozone.
Sold everywhere in 50c boxes or six for
\$2.50.

FALL SITTINGS.
Of County Court and General Ses-
sions, Judge MacWatt Presiding.

The fall sittings of the county court
and general sessions of the peace for the
county of Lambton opened in Sarnia be-
fore His Honor County Judge MacWatt on
Tuesday, Dec. 11, and closed on Wednes-
day afternoon.

On Tuesday the grand jury brought in
true bills in the following cases:
The King vs. Jane Simpson—Theft.
The King vs. Mrs. D. Armstrong.—
Fraud.

The King vs. A. D. Armstrong.—In-
decent assault. Defendant in this case
not being ready for trial, it was laid over
till the spring sittings.

The trial of Mrs. Jane Simpson, who
was charged with stealing shirt waists
and other articles from the store of
Geddes Bros. last spring, occupied the at-
tention of the court Tuesday afternoon.
The accused was defended by J. R. Logan.
The jury, after a prolonged absence,
brought in a verdict of guilty, with a re-
commendation for mercy. Judge Mac-
Watt severely lectured the prisoner and
allowed her to go on suspended sentence.
The case against Mrs. D. Armstrong
was, after hearing evidence, practically
taken from the jury by His Honor, the
judge, and a verdict of not guilty, re-
corded.

The grand jury, after visiting the jail
and other county institutions, made the
following presentation:
Sarnia, Dec. 12th, 1906.

To Your Honor Judge MacWatt.
We, the grand jury have visited house
of refuge, general hospital and jail, and
beg to report as follows:

House of Refuge was found in a first
class condition, except smoking room,
and would recommend that some means
be taken to have the room ventilated and
make the room sanitary.

General hospital we found in first class
condition, and would recommend that
county grant be increased \$1,000.00, as
we consider that the institution is worthy
of the increase.

Bathroom in county jail we find in a
very unsanitary condition, and would re-
commend that new bath tubs be put in
and room fitted up and put in a sanitary
condition, and further recommend that
court room furniture, especially judge's
chair, be renovated, and also some new
Bibles secured.

(Signed) W. B. JONES,
Foreman.

The grand jury at this session was com-
prised of the following gentlemen: Thos.
J. Archer, W. J. Barrie, Edwin P. Battley,
Peter Campbell, John Ettles, John F.
Elliot, Philip E. Fuller, Alex. Gray, Wil-
lard Jones, B. W. Moore, Chas. Morrison,
Caleb Rawlings, Wm. B. French.

There was only one civil case before
the court, viz., Yates vs. Grand Trunk
Railway. This was an action brought
against the railway company for damages
for the killing of three cows and a horse
by one of the company's trains near Black-
well. Judgment was reserved. A. Weir,
for plaintiff; W. E. Foster for defendant.
John Cowan appeared for Mr. Jamies-
on, a third party to the suit.

Your Doctor

Can cure your Cough or Cold,
no question about that, but—
why go to all the trouble and
inconvenience of looking him up,
and then of having his prescription
filled, when you can step into any
drug store in Canada and obtain
a bottle of SHILOH'S CURE
for a quarter.

Why pay two to five dollars
when a twenty-five cent
bottle of SHILOH will cure you
as quickly?

Why not do as hundreds of
thousands of Canadians have
done for the past thirty-four
years: let SHILOH be your doc-
tor whenever a Cough or Cold
appears.

SHILOH will cure you, and all
druggists back up this statement
with a positive guarantee.

The next time you have a
Cough or Cold cure it with
