TUPPERVILLE,

Miss I. M. Walker, who has been visiting friends at Clementsvale for a day or so, returned to her home last week.

Mr. A. B. Messenger, after spending his apprenticeship upon his father's farm, took advantage of the farm labourers' excursion to the Northwest on the limit of the West for the winter and later to take up land, if possible, near the route of the 'to be' Grand Trunk Pacific. As Mr. Missegnger is a conscientious and hard worker we feel sure that he will give a good account of himself. We wish him all possible good fortune in his new sphere.

Mr. Milledge Messenger left for the Northwest on the 1st inst. by the farm labourers' excursion, and it is his intention, so we understand, to break his journey for a while at our old friend's, Dr. Robinson has undertaken to provide him with suitable employment.

Mr. I. B. Chipman is at present in the southwest part of the province, on bis usual fall tour, and is not expected home for at least a week.

Our Division chose Monday for their annual picinic, or outing, and certainly they could not have picked a better day for their trip to Hampton. Quite a number took advantage of the excursion, which was by team, and upon their return quite late in the evening, the expectant home stayers were saluted with a boisterous round of chering. We have always understood that the sea air at Hampton was particularly invigorating to the lungs.

The excursion was organized by Miss Angie James, and the rendezvous chosen, "Charlottenruhe," Central Clarence, the charming residence of Mr. and Mrs. L. F.
