**Sure Evidence that MUELLER'S  
Brown Leghorns and  
Barred Rocks  
are ON TOP.**

Such was the evidence of their overwhelming victory at Guelph and Galt. On my S. C. Brown Leghorns I won at Guelph, out of 4 entries, 1st cockerel, and 2nd and 3rd pullets. At Galt, out of four entries, 1st and 2nd cockerels, scores 95 1-2-94, and 1st pullet, score 95, by Jarvis, also special for best cockerel and special for best pullet. My Barred Rocks are of high-class stock. Stock for sale at all times. Eggs in season. Barred Rock eggs \$2 per 15. S. C. Brown Leghorn eggs \$1.50 per 15.

## Lucknow Poultry Yards.

We have grand pens mated containing winners at such shows as "New York," "The Ontario," "Toronto," "London," "Ottawa," "Montreal," and others. We started our strains with birds from the most noted breeders. This, together with careful mating, has given us some of the strongest matings to be found anywhere in Light Brahmas, Buff, White and Black Cochins, Black Langshans, Buff and Silver Wyandottes, Red Caps, Black Spanish, Buff, White and Barred Rocks. In Barred, our cockerel matings is headed by an imported Feich cock scored 92 1-2 by Feich, mated to females that have been bred from a winning line of males for years. Our pullet mating contains females that are choice exhibition specimens mated to an imported pullet bred cockerel. Without doubt these matings will produce a large percentage of high-class stock. Buff Leghorns, Fyle and Duckwing Game, Golden Sebright and Fyle Game Bantams—Eggs \$2 per 13, \$3 per 15. We have strong pens of Buff, White and Brown Leghorns and Barred Rocks at \$1 1-2, Bantam and Pekin Duck's \$1 per 9.

We guarantee eggs to hatch, regardless of distance. Unfertilized eggs duplicated free. For further information, address,
