REMARKABLE PERFORMANCE MOST EVER MADE BY A FOUR-YEAR-OLD.

At Chester Park, Cincinnatti, O., on the 6th inst., a number of the friends of Capt. Geo. N. Stone expressed a desire to see a "go" by his our-year-old filly, Mand S., an animal that now stands without a rival for its age. Mr. Stone's trainer has been desirons of taking the filly to Lexington, but her owner did not leel justified, in the face of the record that has been made by other four-year-olds, nor has he as yet consentother four-year-olds, nor has he as yet consented that she should go, but the trainer persisted and said that he wanted to show Maud S. on a mile track, as all her fast trotting, so far, had been made on a half-mile-track. Finally, Capt. Stone said, "Show the what you can do with her here now, as several wished to see." The filly was "hitched up," and started on a trial with at least twenty watches over her. She tretted the first unile in 2:26. After the usual want, she was again brought forth, and going dewaths stretch a short distance came lack like a whithingth, and, without anything to perthis a ninterest and nithout anything to persuade her, was off. To the first half in 1:121, and the last half in 1:101—2:221 —the fastest time ever made, and which stamps her the best filly in the world. The enthusiasm of the select party who withessed this wonderful exploit was immense, and a great number made it a quarter less. The track was just as it had been left since the Friday previous, at the conclusion of the races, but it made no difference to this galthe races, but it made no difference to this gallant beauty. Of course, this 2:223 is no record, but yet it is there as the fastest mile ever trotted by a four-year old. The last quarter must have been trotted at a 2:16 gait. The gentlemental were in the stand have issued the following certificate:

"We hereby certify that Maud S, trotted a mile, at Chester Park, Oct. 6th. in 2:223; first half, 1:12;, second half, 1:10;.—Signed, J. S. Smith, Howard Johnson, Richard Ewell, Gordon Durell, A. Bunnell."

As these gentlemen are all well known to the trotting rublic, there will be no questions as to the ame. The performances of this filly on a half-mile track, has but whetted the public appetite to see what she can do on a mile track. Her traver is sanguine of going much lower, of which there seems to be little question.
