

PUBLISHER'S DEPARTMENT.

MRS. O'HEARN, River Street, Toronto, uses Dr. Thomas' Electric Oil for her cows for Cracked and Sore Teats; she thinks there is nothing like it. She also used it when her horses had the Epi-zootic with the very best results. Do not be persuaded to take any other Oil in place of Dr. Thomas' Electric Oil.

SAN FRANCISCO, Riverside, Cal. The climate cure of the Lungs, full idea, 3¢ per bottle, cost free.

IMPORTANT TO TOURISTS.

Commencing May 15th and continuing until October 1st round trip tourist tickets, good going fifteen days from date of sale and good returning until October 31st, can be purchased at very low rates to Denver, Pueblo, Colorado Springs, and other Colorado Tourist Points, via the Burlington Route (C. B. & Q. R. R.). This famous line is the only one extending from Chicago, Peoria or St. Louis direct to Denver, and the only one running through trains without change every day in the year between Chicago and Denver. In addition to above trains which run via Pacific Junction, it also runs over its own lines, through daily trains between Chicago, Peoria, Kansas City and Atchison; and through daily trains between Kansas City, Atchison and Denver, thereby enabling it to offer the tourist the option of purchasing tickets by a greater variety of routes than any other line. Remember these facts, and when ready to start call upon any railroad ticket agent in the United States or Canada for tickets, rates and detailed information, or address PERCEVAL LOWELL, General Passenger Agent, Chicago.

NATIONAL PILLS are unsurpassed as a safe mild, yet thorough purgative, acting upon the biliary organs promptly and effectually.

WHY go limping and whining about your corns, when a 25-cent bottle of Followay's Corn Cure will remove them?

ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by soothing the child from pain, and the little cherub smiles as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, relieves all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

MOTHER GRAVES' Worm Expeller is pleasant to take; sure and effective in destroying worms.

A RELIABLE WITNESS.—R. N. Wheeler, of Everton, speaks highly of Flagyard's Pectoral Balsam, having seen its effects in his own case, a severe inflammation of the lungs and distressing cough, was quickly and perfectly cured, which had resisted other treatment.

AMOS HUDGIN, Toronto, writes: "I have been a sufferer from Dyspepsia for the past six years. All the remedies I tried proved useless, until Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure was brought under my notice. I have used two bottles with the best results, and can with confidence recommend it to those afflicted in like manner."

SEVEN GREAT

MONARCHIES OF THE ANCIENT Eastern World. By GEORGE RAWLINSON. Best American edition. Complete in three volumes of over 2,000 pages, and over 700 illustrations and maps. Price reduced from \$18 to \$2.40. Now ready. Specimen pages free. NOT sold by dealers.

"One of the best historical works of the Nineteenth Century. It covers the ground as that ground is covered by no other publication in the English language, and shows splendid critical ability, as well as profound scholarship and laborious research. Marvelously cheap as it is, this classic work should now find its way into every library in the land."—The Herald, Syracuse, N. Y.

"The Seven Great Monarchies of the Eastern World' ranks with the greatest historical works of modern times, with Gibbon's 'Roman Empire,' Grote's 'Greece,' Green's 'England,' and Bancroft's 'United States.' In some respects it is a greater work, displaying more labour, more scholarship and more critical ability. It is perhaps, not so well-known, because it is so expensive that it has not been within the reach of people of moderate means. But John B. Alden, the well-known New York publisher, appreciating the importance of a cheap edition, has begun to re-publish such an edition in three volumes. There is now no excuse for any one to be without one of the greatest historical works of the century."—Democrat and Chronicle, Rochester, N. Y.

REMOVAL.—On MAY 1ST, "The Literary Revolution" headquarters were transferred from No. 18 Vesey Street to 393 Pearl Street, near Franklin Square, and a few rods distant from the Great Bridge. The entire building, 30 x 115 feet in size, six stories high, is occupied by the offices, store, and book-binding; the printing, engraving, and editorial rooms are located conveniently elsewhere. The capacity and convenience of the new quarters largely exceed all previous facilities.

JOHN B. ALDEN, Publisher, P. O. Box 1227. 393 Pearl St., New York.

GUIZOT'S HISTORY OF FRANCE.

From the Earliest Times to 1848. Eight volumes small octavo, large type, over 400 fine illustrations. Price reduced from nearly \$50 to only \$6.00 per set, 75 cents per volume. Volume 1 now ready; others at intervals of ten days. Sample volume sent post-paid, with privilege to return, 65 cents.

This is the only complete American edition of this magnificent work, which is known as the best popular history of France. The cost of importation is \$36.00, and the only other American edition (which is incomplete, covering only five of the eight volumes here given, and not including even the French Revolution), is at this time \$33.00. The present edition is unabridged, and includes the more than four hundred really superb illustrations of the English edition, and its convenience of form, for reading and the library shelves, is superior to any other edition published.

Guizot is one of the most brilliant writers whose pen has ever pictured the events of history. His pages fairly glow with eloquent fire. One thrills, as he reads, and follows on, page after page, as he would an entrancing romance of Scott or Dickens. And what more inviting subject could be chosen for such a writer than the history of France?—France, the home of Chevalier Bayard, and the great Napoleon; of Joan of Arc, and Lafayette; of the Huguenots, and the execrable monsters of St. Bartholomew's Day; of Voltaire, and Bossuet; of Fenelon, Racine, and St. Pierre.

And probably, never was historical work more graphically and sumptuously—fittingly illustrated. My first announcement was planned to include only 100 illustrations, but I found it so difficult to select, or rather, to omit, that I was compelled to yield to the temptation to include the more than FOUR HUNDRED original pictures.

Accordingly, in keeping with the brilliant text and magnificent illustrations, I have undertaken to give, in this edition, the handsomest and best work which has ever issued from my presses—and I present it with real pride and unquestioned confidence that my patrons will approve.
