

## MONTREAL MINING EXCHANGE.

MARKET EXTREMELY DULL — PAYNE AND REPUBLIC THE ONLY ACTIVE STOCKS — GOLDEN STAR RECOVERERS SLIGHTLY — DEER TRAIL NEGLECTED.

Montreal, April 20.

Trading was anything but active today. After yesterday's activity, stocks were inclined to remain stationary and dull.

Payne and Republic constituted the majority of the morning's business. The former sold to the amount of 3000 shares at 119. This is the same price as was paid yesterday.

Republic was weaker under realizing sales and sold down to 103½. The early sales were made at 104. It closed a trifle weak and was offered at 104, buyers offering 103.

A broken lot of California sold at 9½ cents, 900 shares changing hands. The stock remains firm at 10½ with 10 bid.

California has been in better demand of late, the buying being of the best. The new compound compressor plant is being driven by a 150 horse power motor. The tunnel is gradually penetrating the mountain, and at present, the indications for encountering the ledge are most encouraging. Shaft No. 3 is already down over 80 feet.

Golden Star opened weak, but recovered some of its lost ground before the close. no sales were recorded; the closing quotations were from 8 to 7½.

The enquiry for Deer Trail was poor. No stock was offered under 10½. 9½ being bid.

Decca remains quiet at 8 cents, 500 shares being the amount of this morning's transactions.

Slocan Sovereign was only traded in in broken lots. The sales were made at 28. The stock, however, was not offered under 30.
