Special Notice

THIS is a good month to buy fall and winter samples of Drugs and Sundries. Many articles advance from this onward to spring. We can offer a larger assortment and better value in all lines of Druggists' Sundries than any specialist house.

We wish to do our part to make it to the interest of the retail drug trade to place their orders in this line with their friends, the wholesale druggists.

Don't buy elsewhere before seeing our representatives.
