

BOMBASTES FURIOSO.

Sir John.—Yes, sir! Canada is ready to spend her last dollar and her last man for England. I know it, because I myself will be the last man!

THE REJECTED SUITOR.

Dudekin.—Look haggard, do I? No wonder. Miss Brightcoin's broken off the match. She's a fickle, unworthy woman. She's made a perfect fool of me!

Smartwit.—O come, don't charge *that* against her!

CATARH.—Sufferers are not generally aware that this curse of our country is contagious, or that it is due to the presence of living parasites in the lining membrane of the nose. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness, and hay fever are cured in from one to three simple applications made at home. A pamphlet, describing this new treatment, is sent free on receipt of stamp, by A. H. Dixon & Son, 306 King Street West, Toronto, Canada.—*The Star.*
