f 1. Hark! the Sab-bath bells are ring - ing: Let us haste with-out de - lay;
2. Do not keep our teach - ers wait - ing While we tar - ry by the way,

pp Prayers of thou-sands now are wing - ing Up to heav'n their si-lent way.
Nor dis-turb the school re - cit - ing: 'Tis the ho - ly Sab-bath day.

'Tis an hour of hap - py meet-ing, When we meet for praise and prayer;
Children, haste: the bells are ring-ing, And the morning's bright and fair;

But the hour is short and fleet-ing, Let us, then, be ear - ly there.
Thousands now are joined in sing - ing— Thousands, too, in sol - emn prayer.
