## DR. J. COLLIS BROWNE'S CHLORODYNE.

## The Original and only Genuine.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis, Asthma. CHLORODYNE effectually checks and arrests those too-often fatal diseases—Diphtheria, Fever, Croup, Ague.

CHLORODYNE acts like a charm in Diarrhoea, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Meningitis, etc.

From W. Vesalius Pettigrew, M.D.:

"I have no hesitation in stating that I have never met with any medicine so efficacious as an Anti-Spasmotic and Sedative. I have used it in Consumption, Asthma, Diarrhoea, and other diseases, and am perfectly satisfied with the results."

"Earl Russell communicated to the College of Physicians that he received a despatch from Her Majesty's Consul at Manila, to the effect that Cholera has been raging fearfully, and that the ONLY remedy of any service was CHLORODYNE."—See *Lancet*, 1st December, 1864.

CAUTION.—BEWARE OF PIRACY AND IMITATIONS.

CAUTION.—Vice-Chancellor Sir W. Page Wood stated that Dr. J. COLLIS BROWNE was, undoubtedly, the Inventor of CHLORODYNE; that the story of the defendant, Freeman, was deliberately untrue, which, he regretted to say, had been sworn to.—See *Times*, 13th July, 1864.  
Sold in bottles at 1s., 1/4d., 2s., 6d., and 11s. each. None is genuine without the words "Dr. J. COLLIS BROWNE'S CHLORODYNE" on the Government stamp. Overwhelming Medical Testimony accompanies each bottle.

The New York Homœopathic Society, after a long discussion, adopted the following resolution by a majority of one:—

"First, that it believes in the homœopathic principle as the best method of selecting remedies for the cure of disease. Second, that it recognises other means to the same end. Third, that it will make use of any means whatsoever which experience has demonstrated, or may in the future demonstrate, as affording the most effectual, safe and speedy attainment of cure or the best mode of preventing disease."

Spring and early summer are the seasons of the year at which most persons suffer from headaches, produced almost invariably by a sluggish and disorganized liver.

Dr. Harvey's Anti-bilious and Purgative Pills have been compounded with especial reference to the correcting and toning up of that most wonderful organ, the liver.

An old gentleman in Vermont, who is still hale and hearty, at 107 years, and has used tobacco since he was 18, has been persuaded to give up the practise as injurious to health.

The most enduring Memory of Childhood clings to the nauseous worm medicines then abounding. Even now the writer seems to taste the disgusting compounds. But BROWN'S VERMIFUGE COMFITS or Worm Lozenges, which are so powerful and so popular, are pleasant to the taste, and do their work speedily and thoroughly.

Old Lord Elphinstone was asleep at church while the minister, a very addleheaded preacher, was holding forth. At length the parson stopped and cried: "Waukin, my Lord Aphinstone." "I'm no sleeping, minister." "But ye are sleepin'—I wager ye dinna ken what I said last." "Ye said 'Waukin, my Lord Aphinstone.'" "Ay, ay, but I wager ye dinna ken what I said afore that." "I wager ye dinna ken yersel."

Does the Babe start in his sleep and grind his little teeth? Nine chances out of ten it is troubled with worms, and the best remedy for these, is BROWN'S VERMIFUGE COMFITS or Worm Lozenges. They are tasty and the children will love them. Drive out the worms and the child will sleep sweetly. Sold for only 25 cents.

Worth says not one woman in ten knows how to sit down on a dress. He means her own, of course. Any woman can sit down on another's in a stage or horse car, and do it scientifically the first time.

Many Children look pale and even haggard, simply because they are troubled with worms. Nothing they eat does them much good. They are weary and listless. To remove all this, and restore the bloom to the cheek, use BROWN'S VERMIFUGE COMFITS or Worm Lozenges. They are sure.
