In May of 1893 while at Birmingnam I was taken very bad and engagement was offered me as stage manager for Onsley's Minstrels and I went out with them, but in three months time, I was so bad that I had to quit. All this time I was consulting a physician who had been recommended as a specialist, but without any relief. Hydropathic baths and other similar treatments were resorted to without avail Finally there was no help for it and I went to Manchester, and on December 12th. 1893, went into the Royal Hospital where the physicians who diagnosed my case pronounced it transverse myelitis or chronic spinal disease. ### LOVE OF THE SACRED HEART.

The world has never witnessed such love as the love of the Sacred Heart for fallen oines in itself the love of the most devoted friend, of the most affectionate brother, of the lover for his beloved, of the mother for her darling son. Every form of love is united in the yearning love of the Sacred

There never was a love so patient, so much enduring, as the love of the Sacred Heart of Jesus. It puts up with neglect, coldness, nay, even outrage and insult Any earthly friend or lover, nay, even the fond mother, would long ago have been repelled by such treatment as He receives from ungrateful man. But not so Jesus. Can a woman forget her infant He asks, so is not to have pity on the son of her womb? Even if she should forget, yet will I not for-

get thee.

The love of Jesus is a love which shows itself in deeds. He delights to pour out the treasures of His mercy on men, even on the ungrateful and on His enemies, and how much more on those who return Him love for love. For them there is no end to His gifts of love. Every day, every hour, ome fresh favor and benefit and all these only preliminary to the eternal reward He has prepared for them in heaven. How generous He has been to me, and what have I been in return-
