

“WHAT AN ASS AM I!”

The ass thought himself as fine looking as his neighbor, the horse, until he, one day, saw himself in the looking-glass, when he said “What an ass am I!”

Are there not scores of people who cannot see themselves as others see them? They have bad blood, pimples, blotches, eruptions, and other kindred disfigurements. All these annoying things could be entirely eradicated, and the skin restored to “lily whiteness,” if that world-famed remedy, Dr. Pierce's Golden Medical Discovery, were given a fair trial.

It cures all humors, from the ordinary blotch, pimple or eruption to the worst scrofula, or the most inveterate blood-taints, no matter what their nature, or whether they be inherited or acquired. The “Golden Medical Discovery” is the only blood-purifier guaranteed to do just what it is recommended to, or money refunded.

CANADIAN INDIAN RESEARCH AND AID SOCIETY.

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.

The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it would be a far better and more convenient time for holding both the Annual Meeting and the Conference.

Reddaway's Solid Woven “Patent” CAMEL-HAIR BELTING

Is as straight and as uniform in section and density as it is possible to make a belt. After working some time, the wearing faces of Camel Hair Belts obtain a smooth, finished appearance, and grip firmly; not fray on the edges; might be cut up the middle with a saw, and the two narrow belts so made set to work again; have but one joint, and being of uniform thickness throughout will run with remarkable truth, and do very heavy work; is the only satisfactory belt in wet places, in Dye Houses, Refineries, in steam, water, or great heat.

Breaking strain of 6 in. Camel Hair Belt is 14,181 lbs. Breaking strain of 6 in. Double Leather is 7,522 lbs.

We caution users against spurious makes of belting offered under deceptive names, intending to convey the idea that it is our Camel Hair Belting.

CAMEL HAIR BELTS are unexcelled for “Dynamo,” Saw Mills, Paper Mills, Pulp Mills, Dye Houses, Sugar Refineries, Cotton Mills, Woolen Mills, Machine Shops, Agricultural Machines, Pumping Machinery, and Main Driving generally.
