THE ADAMS' TRUSS ROD WAGON.

Manufactured only by

ADAMS & SON,
PARIS, ONT.

These celebrated wagons are so well known throughout the entire Dominion that it seems almost superfluous to enumerate their merits. THE TRUSS ROD used on this wagon is superior to any other so-called Truss Rod, because it is the only one that passes through the Stein, thus strengthening the axle without adding to the weight. THE HIND CROTCH is much longer than is usually found on any other wagon, thus strengthening the reach and causing the hind gear to run much steadier. THE TURN-OVER SEAT is something appreciated by all farmers when taking heavy loads of bagged grain; it is fitted with Iron Risers, Corner Plates, Seat Pockets and Front Hinges. Without doubt, the ADAMS TRUSS ROD WAGON is the Strongest, Best Proportioned, Best Made, Best Finished, and the Easiest Running Wagon in Canada.

BOYS FOR FARM HELP.

The managers of DR. BARNARDO'S HOMES desire to obtain good situations with farmers throughout the country for the boys they are sending out from time to time from their London Homes. There are at present nearly 3,000 children in these Homes, receiving an industrial training and education to fit them for positions of usefulness in life; and those who are sent to Canada will be selected with the utmost care, with a view to their moral and physical suitability for Canadian farm life. Farmers requiring such help are invited to apply to MR. ALFRED B. OWEN, Agent Dr. Barnardo's Homes, 214 Farley Avenue, Toronto.
