"Message to Queen's Professors, Graduates and Students."

You will agree with me that you should have Life and Accident Insurance. The "**CANADA LIFE**" has a special policy that will fit the case at a premium that will surprise you. I do not wish to disturb you at your homes, this your busy season, but if you can spare a few minutes when down town drop into the office, (18 Market Street) and I will take pleasure in showing you this policy, which is unique in the history of life and accident insurance, or figures will be supplied you on application.
