

occasion, Dr. Webber had meetings with senior European Commission officials in the fields of telematics and telecommunications. The Minister was accompanied by a delegation of Alberta Government officials and members of the Alberta Government Telephones Commission.

CANADIAN PRESENCE AT THE PARIS AIR SHOW

The Canadian Government and 30 Canadian companies will be participating in the Paris Air Show on June 4-14, 1981. The Air Journalists Association of Canada and the Department of Industry, Trade and Commerce are jointly financing and organizing the Canadian pavilion. Canadian Embassies in Europe will be able to provide further details.

WORLD SYMPOSIUM ON ASBESTOS

As we were going to press, we received information concerning a World Symposium on Asbestos which is scheduled to take place in Montreal, in May 1982, under the co-sponsorship of the Government of Canada, the Province of Quebec and the Commission of the European Communities. We will provide further details in our next issue.
