

(c) Following the termination or suspension of this Agreement in whole or in part, the Government of the Kingdom of the Netherlands shall share the proportionate costs to be agreed upon with the Government of Canada arising from the clearance of land used by Armed Forces of the Kingdom of the Netherlands including, inter alia, range sweep operations and disposal of unexploded ammunition. The costs of such land clearance are to be subject of separate negotiations.

If the foregoing is acceptable to the Government of Canada, I have the honour to propose that this Note which is authentic in English and Your Note in reply, which is authentic in English and French, shall constitute an Agreement between our two Governments which shall be applied provisionally as from the date of receipt of your reply, and shall enter into force, with effect from the date of receipt of your reply, following an exchange of notifications in which both Governments inform each other that they have obtained whatever internal approval each may require to give effect to this Agreement.

Accept, Excellency, the assurances of my highest consideration.

(H. van den Broek)  
 Minister for Foreign Affairs of  
 the Kingdom of the Netherlands
