

3.2.2 Continuously as long as the convention remains in force:

(a) Status of production facilities/means of production which have been converted to peaceful use

(b) Compliance with the prohibitions and other regulations concerning certain activities, materials and facilities (see 1.2), i.a.:

- production of single purpose chemical warfare agents
- production of dual-purpose chemical warfare agents and some binary chemical weapons precursors
- some activities and facilities related to planning, organization and training. (This issue relates to alt. 2 in 1.1)

3.3 International measures and procedures for verification

3.3.1 Declarations and exchange of information.

Parties may have to undertake to declare possession (or non-possession) of specific materials, facilities and activities and of plans for disposal of materials and facilities according to 2.1, as well as exchange information on the progress of disposal of stocks and production facilities/means of production. Information may have to be exchanged on permitted production of chemical warfare agents for protective and peaceful purposes.

3.3.2 Consultations

3.3.2.1 Parties may have to undertake to consult each other and to co-operate in solving problems which may arise in relation to the convention.

3.3.2.2 Such consultations could be undertaken bilaterally between the parties concerned, or within the framework of a special procedure established by the convention (see 3.3.3) or within the framework of the United Nations and in accordance with its Charter.

3.3.3 Consultative committee

A consultative committee may have to be established to handle international verification measures at the entry into force of the convention.

3.3.3.1 The committee may be composed of one expert from each State party and with the Secretary-General of the United Nations or his representative as its chairman. It may for specific tasks set up sub-committees and verification teams.

3.3.3.2 The committee may meet for a regular meeting at least once a year and otherwise at the request of a party.

3.3.3.3 The committee may be competent:

(a) to follow the performance of destruction, dismantling and conversion to peaceful purposes of stockpiles of chemical warfare agents, chemical weapons, production facilities/means of production etc. (see 2.2)
