

15. The respective management entities shall take into account the recommendations of the Yukon River Panel in the adoption of regulations, and shall ensure the enforcement of these regulations. These entities shall exchange annual fishery management plans prior to each season.

16. Based on recommendations of the Joint Technical Committee:

(a) the Yukon River Panel may from time to time recommend spawning escapement objectives for implementation by the Parties through their management entities; and

(b) the Yukon River Panel may revise the spawning escapement objectives for rebuilt stocks in Appendixes 1 and 2.

17. Each year the Yukon River Panel shall review the performance of the fishery management regimes of both Parties for the preceding season with a view to making recommendations to the respective management entities for improving management performance in order to achieve agreed objectives in future years.
