VISIT OF THE MINISTER OF
PUBLIC WORKS AND SERVICES FROM ARGENTINA

The Minister for International Trade, the Honourable James Kelleher, announced today that the Minister of Public Works and Services of Argentina, Mr. Roque Carranza, will pay an official visit to Canada on March 3-6.

Mr. Carranza is one of the most senior Ministers in Argentina's new democratic government with responsibility for energy, transportation, and communications. While in Canada, Mr. Carranza will meet with officials in both the public and private sectors to discuss trade and industrial cooperation between Canada and Argentina. Areas of special interest to Canadian companies include hydroelectric projects, gas pipelines, grain handling, railway and port modernization, and communications.
