

NIAGARA, 26th Sept. 1825.

SIR,

*We have been appointed a Committee to carry the within Resolution into effect, and to address you with others on the occasion. It is needless for us to advance any arguments in support of a measure fraught with such incalculable benefits to the Trade and prosperity of both Provinces. The only doubt which can arise, is its practicability of this, from the information we have on the subject, we beg leave to assure you, we have the fullest confidence, and solicit you in the most earnest manner, to make use of your influence and exertion, to obtain a subscription to aid us in obtaining funds to make a perfect and complete survey of the ST. LAWRENCE, between Prescot and Lachine, or Montreal.*

*We are*

*Your Obe't.*
