CARE OF CANADIAN SOLDIERS AT WAR

Contingent Association in England is Engaged in Commendable Work.

SOCKS, PIPES, CANDIES

Doing Everything Possible to Bring Rrightness Into Men's Lives.

OTTAWA, April 20.—In a letter just received from J. G. Colmer, secretary of the Canadian War Contingent Association, in England, he tells of the work which is being done for Canadians at the front.

"We are in communication," he says, "with all the different units and are sending the consignments of comforts to them each week, as requisitioned, and often when they are not requisitioned, as we have a very good idea of what the men want. Socks and other woolen comforts have been forwarded, and towels and handkerchiefs, tobacco, pipes and cigarets, matches, soap and candies have been arranged for and are on the way.

Attend to Requests.

"Shipments will be continued at frequent intervals as far as our resources will allow. We are also seeing what can be done for the recreation of the men in conjunction with the Y.M.C.A., when they are not in the trenches or on active work. Papers and magazines are also being sent to them, and any requisitions we receive from the front will, you may be sure, receive special attention. Any funds will be welcomed to our finances. If the forces increase, as they will do, and if the war is protracted, we shall need a good deal more money than we have, and we have no doubt that it will be forthcoming."

HELLO-GIRLS GAVE SPLENDID CONCERT

Red Cross to Benefit by Entertainment North Exchange Operators Planned.

Sponsored by the girls at the Bell Telephone North Exchange, and under the personal direction of Miss Clark, the chief operator, a concert in aid of the Red Cross Society, was given last night in Foresters' Hall, College street.

The entertainment gave every evidence of having been most carefully planned, from the program, which included some of Toronto's leading artists, down to the decorations of the platform, which were made up of the flags of the allies, including the rising-sun banner of Japan. The seating capacity of the hall was taxed to the utmost, and the various numbers were received with marked enjoyment.

Two numbers on the program are worthy of special note, "Un Bel Di," from Madam Butterfly, was given an exceptionally artistic rendering by Miss Irene Symons, and "Oh, Lovely Night," by Landon and Ronald, was charmingly sung by Miss Symons, with 'cello obligato, by Paul Hahn. Two violoncello solos by Paul Hahn were also among the treats of the evening. Ruthven MacDonald's songs, "The Trumpeter" and "The Horn," were enthusiastically received.

A. E. David contributed a solo "Land of Hope and Glory," and later a duet with Mr. MacDonald, "The Battle Eve." Miss Ethel Cocking was quite delightful in her three elocutionary numbers, while Miss Forfar acted as accompanist.

MEN CONTRIBUTE TO BOTH PARTY FUNDS

Theodore Roosevelt Told Big U.S. Interests Had to Be Protected.

BOSSES NECESSARY

Without Funds, Party Government Would Be Impossible, Says Barnes.

SYRACUSE, N.Y., April 20.—Theodore Roosevelt, former president of the United States, went upon the witness stand in the supreme court here today and testified in an effort to prove his contention that he was justified in causing the publication of the statement upon which William Barnes sued him to recover $50,000 for alleged libel. Under oath, he said that the former chairman of the Republican state committee had urged him not to antagonize men of large business interests who contributed to both the Democratic and Republic parties so that they would be protected.

To Protect Big Interests.

Mr. Barnes told Col. Roosevelt that it was essential to protect big business interests; unless they were protected they would not make contributions to the party failing to protect them, and that without such contributions it was impossible to carry on the organization. Without organization leaders and bosses, the former president quoted Mr. Barnes as saying, party government would be impossible.

Col. Roosevelt also quoted Mr. Barnes as telling him that "the people are not fit to govern themselves." They have got to be governed by the party organization, and you cannot run an organization, you cannot have leaders unless you have money."

The trial will be continued tomorrow.

ROCK ISLAND IN RECEIVER'S HANDS

Railway Cannot Meet Obligations Maturing by May First.

CHICAGO, April 20.—The Chicago, Rock Island and Pacific Railway Co. was placed in the hands of receivers in Judge Carpenter's branch of the United States District Court today. The company admitted its inability to meet more than $5,000,000 in short-term notes and other obligations due between now and May 1, and the court appointed H. U. Mudge, president of the company, and Jacob M. Dickinson, former secretary of war, receivers.

Application for the receivership was made by the American Steel Foundries Co., which has a claim of about $16,000 against the defendant.

CONSIDER LEPERS ACCURSED.

Dr. Margaret Patterson Delivered Address Before Auxiliary Mission.

At the regular monthly meeting of Toronto Auxiliary Mission to Lepers, held at Toronto Bible College, Dr. Margaret Patterson, superintendent of the Leper Asylum near Allahabad, India, delivered an interesting address. She stated that one reason for the neglect shown by natives towards lepers is that they are considered accursed, and anyone helping a leper will be cursed by God.

The treasurer's report showed that $403.22 had been received from Toronto since the beginning of the year.

Dermatologist Gives Complexion Secret

"The great secret of keeping the face young is to keep off the dead cuticle," says Dr. J. Mortimer Mitchell. "It is well known that the surface skin is constantly dying, falling off in imperceptible particles, except in some diseased conditions, when the same appear like dandruff. But the particles do not all drop off immediately, they die, being held for a while by the live skin.

"To have the dermatological surgeon peel off the entire outer skin at one time is a painful and expensive operation. The same result is obtained by applying ordinary mercolized wax, as you would cold cream, allowing this to remain on over night, then taking it off with warm water. One ounce usually suffices. The process is both painless and inexpensive. The wax, which is procurable at your drug store, hastens the natural shedding process. It gradually absorbs the dead and half-dead skin, revealing the new, healthy, youthful-looking skin underneath."

BRITISH TORPEDOED BEACHED SUBMARINE

Brilliant Exploit Carried Out Under Heavy Fire of Turks.

HIGH PRAISE GIVEN

Officer in Charge is Promoted to Rank of Commander.

LONDON, April 20.—The British admiralty announced officially today that the British submarine E-15 was destroyed in the Dardanelles by British picket boats.

The text of the admiralty announcement follows:

"The submarine E-15 which grounded on Kepher Point last Saturday appears to have been in danger of falling into the enemy's hands in a serviceable condition. Great efforts were made by the Turks to secure her. Attempts to destroy her by long range fire of battleships failed.

"During the night of the 18th two picket boats—that of the Triumph, under Lieut. Commander Eric Robinson, who commanded the expedition, assisted by Lieut. Arthur Brooke Webb, R.N.R., and Midshipman John Woolley and that of the Majestic, under Lieut. Claude Godwin, both manned by volunteer crews, attacked the submarine.

Under Heavy Fire.

"The boats were submitted to a very heavy fire, estimated at over 200 rounds, from fort No. 8, which was only a few hundred yards distant, and a number of small guns at short range. Notwithstanding this, the submarine was torpedoed and rendered useless. The Majestic's picket boat was holed and sunk, but the crew were saved by the other boat, and the only casualty was one man, who died of wounds.

"Vice-Admiral De Robeck speaks in the highest terms of all concerned in this gallant enterprise. Lieut. Commander Eric Robinson has been promoted to commander by the admiralty, and a report has been called for on the individual services of other officers and men with a view of their recognition."

BEAUTY DOCTOR TELLS SECRET

Detroit Beauty Doctor Gives Simple Recipe to Darken Gray Hair and Promote Its Growth

Miss Alice Whitney, a well-known beauty doctor of Detroit, Mich., recently gave out the following statement: "Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, promote its growth and make it soft and glossy. To a half pint of water add 1 oz. of bay rum, a small box of Orlex Compound and ¼ oz. of glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is also fine to promote the growth of the hair, relieve itching and scalp disease and is excellent for dandruff and falling hair."
