

PREFACE.

IN giving this edition of the GUIDE TO HALIFAX AND EXHIBITION BUILDING, the publishers would state that the information has been received from reliable sources, and not copied from publications that are out of date, therefore the public can rely on its being correct. The map of Halifax has been revised to date. Strangers will find this work replete with useful information, such as descriptions of Halifax, and of Exhibition Buildings, R. R. time tables, stage lines, cab hire, &c., &c.

The publishers here return their sincere thanks to the advertisers for their liberal support, and would state at the same time, that it is mainly through the support of the advertisers that a work of this description can be published.
