

TACKS STREWN ON GOOD ROAD

Fifteen Motor Cars Stalled at
One Time Because of
Malicious Work of
"Alleged Joker."

Motorists had better avoid the Dun-
deas-road for the present, unless will-
ing to run the risk of having their
tires punctured by tacks, which have
been apparently distributed with lavish
hand along the highway by some mali-
cious individual or individuals.

Dr. R. E. Rice of 84 Maynard-ave-
nue took a spin to Cooksville between
8 and 9 p.m. yesterday and observed
between Keele-street and Cooksville
no fewer than 15 motor cars stalled at
the roadside because of soft tires. He
had to take off one of his own tires
because of punctures and found tacks
sticking in others. The tacks were
new and had evidently been scattered
very recently.

Dr. Rice points out that aside from
serious trouble caused motorists, there
is danger of a machine being ditched
on the tire blowing out, and that the
police should make every effort to find
the perpetrator.

Stores Issued No Ball Cartridges

Investigation Hands Out Report That
Loaded Ammunition Was Kept
by Men at Target Practice.

OTTAWA, June 22.—That the ball
cartridges used in the tactical maneu-
vers on Thursday at the Barrfield
grounds, Kingston, were not issued
from the stores was the finding of the
special board of investigation. The
cartridges had been kept by the men
from the ammunition issued for target
practice.

The 8th and 9th Regiments were en-
gaged in tactics, one regiment attack-
ing the other, supposedly with blank
cartridges. But shortly after the firing
had started some old hands were sur-
prised to hear the singing ping of bul-
lets instead of the puff of blanks.

Others saw the dust raised where bul-
lets hit. Several reported to the offi-
cers in charge, and the practice was
immediately stopped and an enquiry
instituted.

The chairman of the board of investi-
gation was Major R. J. Birdwhistell of
Ottawa, brigade major of the 8th In-
fantry Brigade, who with Lieut.-Col.
R. M. Rogers, officer commanding the
8th Infantry Brigade, returned to-day
from Kingston.

The enquiry showed that the ammu-
nition used was not issued from the
stores as blank, but had been issued
for target practice. Some of the
soldiers did not use all, but kept it
in their pockets. In the manoeuvres
they decided to use the real thing,
doubtless taking care not to aim at
any person. The ammunition used was
that known as gallery and .303 car-
tridges. No effort was made to find out
just who had used the ball cartridges.

Franklin's Evidence Would Ruin Darrow

Witness Testifies That Lawyer
Showed Him \$50,000 to Use as
Bribe for Jurors.

LOS ANGELES, Cal., June 22.—
It was expected that John R. Har-
rington would testify in re-direct ex-
amination concerning a conversation
with Darrow which was said to have
been taken down by stenographers,
listening thru a telephone device at
Clarence Darrow's trial to-day.

Harrington testified yesterday that
Darrow had shown him last Septem-
ber a roll of bills which Darrow said
contained \$50,000 and were procured
from "Twinmore's Bank in San Fran-
cisco, that Darrow told him at the
time that if he could arrange to reach
two jurymen, James D. McNamara
would never be convicted.

Harrington also testified that on the
morning of Bert Franklin's arrest for
attempting to bribe George N. Lock-
wood, Darrow had said to him: "My
God, if he speaks I am ruined."

Hon. Thos. Chapais Not at Unveiling

Mercier Monument Ceremony Will Be
Purely Party Affair—Former Op-
ponents Refuse to Attend.

QUEBEC, June 22.—Hon. Thomas
Chapais, who was invited to speak at
the unveiling ceremony of the Mercier
Monument, has declined the invitation.
He will make no statement for the
press, but it is generally assumed that
he would have found himself in a posi-
tion of no uncertain terms in the columns
of Le Courrier Du Canada.

Mr. Teller, the leader of the Quebec
Conservatives, who was also billed to
speak, has refused to do so, so the cere-
mony is likely to be more or less a
party event.

Nothing will interest a child so
quickly as a picture. Pictures speak
a universal language, intelligible to
young and old alike, with
no embarrassment of
moods and tenses. Accu-
rate pictures, intelligently
conceived and artistically
executed, appeal to the in-
tellect through the "win-
dows of the soul," whose
portals let in a flood of
light to the child-mind no
less than to the man or
woman of ripe learning.

\$50,000 WORTH OF ILLUSTRATIONS IN COLOR AND MONOTONE

More than 600 monotones by the world's greatest artists are
printed with the type matter, where they at once explain the sub-
jects which they accompany. These magnificent illustrations alone
cost \$50,000. In addition thereto are full-page plates of the world-
famed Tissot collection in colors. These beautiful color engravings
are also carefully selected with the object of further making plain
obscure passages in this great Book of Books. It can truthfully be
said that never before have illustrations so vividly portrayed their
subjects and embodied in them the spirit of living reality.

Heretofore the word "illustrat-
ed," as applied to a Bible, meant
merely a few allegorical "pictures"
of Biblical events taken from any
part of the book, merely as embellish-
ment inserts, but not directly along-
side and explanatory of the verse it is
intended to typify or make plain; but
our publishers, at an outlay of \$50,-
000, prepared accurate illustrations
DESCRIPTIVE of the VERSE
which they accompany, and placed
directly next to the verse of the scene
described—the only place it can be
looked for or found quickly, the only
place the illustration is a help to you
—making this the FIRST and ONLY
