the Season's Wash Fabric-

The feading fashion journals call for the extensive use of Cotton Voiles in the production of this summer's airx diesers, and when one examines these beautiful fabrics the reason of their popularity is at once apparent. Every Voile Gowns in her summer wardrol i she wants to be in the front rank.
Considering their effictiveness, the
prices—25c, 30c and 35c per yard—are marvelous. Mail Orders Receive Prompt and Careful Attention.

JOHN CATTO & SON King street - Opposite Postomee,

Letter From Wife of F. R. Bullard Tells of Pinch of Poverty.

With blood-stained razor still grasped in his hand and sunk deep in a wound, years of age, was found lying in the old Castle Frank-drive, at the head of Parliament-street, by Dr. John Noble. 219 Carlton-street, at 4.45 o'clock yesterday afternoon. The man was unconscious and bleeding profusely. Dr. Noble called the police and the man was hurried to the General Hospi-

tal, but did not regain consciousness. He died two hours later. Lying beside the man was a valise, in which were a few trivial effects and letters addressed to him at 53 Berkeley-street. There was, in addition, a note book with memoranda indicating that he had preached in various places in Eng-

and in 1896. That was all. Enquiry at 53 Berkeley-street, a room ing house kept by Mrs. Fallowfield, dis-closed the facts that Bullard had room ed there for seven months, leaving there Thursday last. He was without employment and had worried much on

When he left he had not said where he was going, and enquiries failed to disclose his whereabouts from the time he left the Berkeley-street house Thurs day morning, until he was found.

A letter received at Berkeley-stree

since Bullard's departure, was opened by Detective Guthrie. It was addreses ed to Bullard and was evidently from his wife, still in England.

The letter began "My dear Sam" and closed "your loving wife Kathleen," It speke of pitiful saving. "I eat as little as possible and go out hardly at all."

In one place it urged him to In one place it urged him to work on and asked him to save £100 to

oring her out. Neighbors expressed the belief that the man was slightly deranged. He was a regular attendant at Elm-street The body lies in the General Hospital morgue and Coroner W. Greig will decide as to the necessity of an inquest to-

Russell Treleaven, the Winner the M.Y.M.A. Medal for the Second Time.

A rich intellectual treat was given Torontonians who attended the M. Y. M. A. oration contest held at Broad-

way Tabernacle last night, On the platform, besides the speakers of the evening, were Rev. Drs. Chown and Hazlewood, T. C. Robinette, K.C., and R. W. Eaton, who acted as chairman. The judges were Mayor Coatsworth, J. S. Willison and Ald Bengough.
The subjects of the orations were, "Op-

Democracy," 'God," 'Peace," 'Op-ortunity," Literature," each contestcortunity. ant' being allowed ten minutes in which to deal with his particular assignment. Twelve of Toronto's Me-thodist churches entered representatives, the majority of them being young men who had previously proven their worth as public speakers. Hence their efforts on this occasion were expected to be of an uncommonly high order, and the result shows that these anticipations were fully realized. The prize for which the speakers competed was a silver cup, presented

by Ivor E. Brock, which went to Dunn-avenue Church's representative, and a set of books, presented by A. W. Briggs, which also went to the

************** HOME-MADE MEDICINE.

Said to Relieve Kidney Trouble and Rheumatism.

One ounce Fluid Extract Dandelion: One ounce Compound Sala-Four ounces Compound Sy-

rup Sarsaparilla; rup Sarsaparilla;
Mixed and taken in teaspoonful doses after meals and at bedtime, is stated by a prominent physician to give most excellent results in kidney or urinary afflictions, and also in rheumatism and sciatica. The mixture opens the clogged pores of the kidneys, thus assisting them in their work of filtering all waste and poison-ous matter from the blood, and expels these in the urine. To allow this poisonous matter to remain means that it will set-tle in the muscular tissues or joints, and cause the untold misery known as rheumatism.

The mixture is composed of harmless vegetable ingredients,

which can be purchased at any gooddrug store, and mixed at Anyone suffering from any of these afflictions will no doubt be pleased to learn of so simple and highly recom-

mended remedy

Continued From Page 1.

was so serious a matter a year ago

The miners, both on the mainland or the Island of Cape Breton, are enrolled in the Provincial Workmen's Asences to the "coarse, vulgar and jocu-sociation, and the present peaceful lar" attitude sometimes resorted to in condition of affairs at the collieries sociation, and the present peacefu favor of the congregation. This atti-tude he likened to "hot gin and water" and "yellow journalism." and "yellow journalism." ney Stellarton, Westville and Spring The ceremonials attending the conchancellor. Rev. Thos. Crosby, Sardis. There is great dissatisfaction among B.C., was also, in absentia, a recipient the miners with the Lemieux Indus-There is great dissatisfaction among

any other way, I think we'd better apply for admission as one of the states in the American union.'

Rhodes stopped and said in his ty al way, 'Say that again.'

repeated it. 'Pon my word, Stead,' he replied, of believe you're right, but don't say [said so.']

B.C., was also, in absentia, a recipient of the honor.

Rev. Dr. Wallace introduced the following for the degree of B.D.: Egenton Ryenson Brecken, M.A., Toronto, William Ermest James, B.A., Norval; Francis James Johnson, B.Sc., Crossfield, Alta, Alfred Dennis Miller, M.A., Toronto, Analysis of control of the honor.

Rev. Dr. Wallace introduced the following for the degree of B.D.: Egenton Ryenson Brecken, M.A., Toronto, William Ermest James, B.A., Norval; Francis James Johnson, B.Sc., Crossfield, Alta, Alfred Dennis Miller, M.A., Toronto, and the men are indignant that they were not consulting as to its provisions before being placed under the operations of the act. It is understood that Deputy Minister of Labor Mackenzie King will hold meetings in the mining districts for the honor.

Plenty of Work. WOODSTOCK, April 30.-(Special.)-The labor situation in this district is most satisfactory with the excep-

ton probably of a marked scarcity of skilled labor. There are no industrial disputes, and the various local con-Some factories have more than they can really do, finding it impossible to be the general opinion. various reasons, among which might be mentioned the scarcity of certain prize kinds of stock. The failure to secure a sufficient number of skilled work-

men and the under capacity of the factories to cope with the ever-increasing market.
Several of the big industries have ur dertaken big additions, while others have improvements under contempla tion. In the varied trades all men have plenty to do, and well can it be said that the sun of prosperity is bestowing its brightest smile district as far as industrial and labor conditions are concerned.

A Little Trouble at Hamilton. HAMILTON, April 30 .- (Special.)-May Day will be quiet in Hamilton. There trouble only in three trades, painting, ment look good. The iron moulders' troubles have not com eto a head yet,

No Unrest at Ingersoll. INGERSOLL, April 30.—(Special.)—
There is no unrest manifested in labor is be given. There is no unrest manifested in labor circles in this locality, and no necessity for anyone who is willing to work being unemployed in either this town or the promises having been made. Reports promises having been made. Reports from north shore mills and Bay of surrounding district. Plenty of work shipping ports indicate that scarcity of experienced men in all lines.
This is especially true in the farming communities, and some complaints, are heard at the class of men, largely from the old country, who are filling their places. This refers to but a few of the many coming out. Experienced men have been very much in demand here, as all the industries are running to their full capacity, and some of them over-

Quiet in Ottawa. OTTAWA, April 30 .- (Spec al.)-The labor situation is quieter in Ottawa than it was a year ago, and there is little danger of any conflict with capital. The reason is that there is so much work on hand the contractors could not afford a strike and have acceded in almost every case to any demands made by the

Building operations were never so acive. There are the new mint, the geoogical survey building, three huge apartment houses, one of them extending

The printers' strike has been settled,

Strong Demand for Men.

FREDERICTON, N.B., April 30.— (Special.)—The labor situation here is not unsettled; and there is strong demands for men. Hundreds of stream few days for head waters of Miramichi and St. John Rivers to bring out the 225,000,000 feet of logs which will marvelous in preventing debility and drivers have left here during the past come to mills on those rivers to be manufactured during the coming season. Men are being paid from \$1.75 to \$2.25 for this work, but good prostings to \$2.25 for this work. that the demand for men was not as beavy as it otherwise would have been.

The typographical workers and larrigan makers are the only trades inions in this city regularly organized, the larrigan makers having organized for their recent successful strike for increased pay, and which

OTTAWA, April 30.—The western coal strike seems likely to be settled. The minister of labor to-day received a tele-gram from Mackenzie King, stating that the outstanding points of an agreement has been arrived at between operators and the executive of the Mine Workers' Association. The latter strongly recomand the executive of the Mills and the Mills

No Strike Expected. MONTREAL, April 30.—(Special.)—
In regard to the rumored impending strike among operatives of the Dominion Textille Company, Mr. C. B. Gordon, managing director of the company of the com pany, said to-night that he did not ap-prehend any such movement. He added that on April 1 the company, without being solicited, granted an increase all round, amounting to 10 per cent. Since then, however, one or two sections had expressed dissattisfaction, and wanted an additional 5 per cent. The greater part of the men, Mr. Gordon declared, were perfectly satisfied. The representa-tives of the company have had several conferences with the men, and Mr. Gordon believes that a satisfactory settlement will be reached. Regarding the

SALT LAKE CITY, Utah April 30--It is announced that the street car strike has been settled, the demands

Your System!

The inside of your body requires attention just the same as the outside.

A great accumulation of effete matter is clinging to the various organs, and must be moved off.

Some gentle laxative and tonic should

be used. The system must be relieved of its burden if you are to enjoy a happy, healthy summer.

Physicians who have examined the formula of Dr. Hamilton's Mandrake and Butternut Pills say no medicine

could be better. sickness. Begin Dr. Hamilton's Pills without delay. You'll feel stronger, eat heartier, digest better, sleep sounder, and gain

more in weight.

Mr. Ed: Maynard, an old resident of
New Westminster, B. C., writes: "I
don't say Dr. Hamilton's Pills will cure everything, but they made a quick job of building up my run-down system. I had kidney disease and constitution, and was wholly unfitted for work. Pains winner of the cup.

At the conclusion of the contest the judges retired, and after being out for some time, returned and reported that they had awarded the cup to Russell Treleaven of North Parkdale, who thus holds it for the second time.

FOR SALE.

HORSE FOR SALE—FINE SADDLER and jumper; will sell cheap to quick by yer. Care Dominion Livery, 61 Yorkstreet.

W. Briggs, whach also went to the winner of the cup.

Mach the conclusion of the contest the judges retired, and after being out for schools and scores of stores and private develings.

Masons and bricklayers want 50 cents per hour. They now get 45 cents. The stonecutters, some of whom get 40 cents, holds it for the second time.
