WITH PEOPLE OF HAMILTON

Something May Drop When Provin-

It is understood that some of the Toronto gentlemen who are interested in the Yukon Railway submitted the scheme some time since to the Canadian Pacific people, but they received very little encouragement from that quarter. It is understood that if the Detroit people get the contract for the building of the R. & O. boats to run between Toronto and Prescott the company will insist that the ships be built at Kingston. In the first place they want Canadian workmen employed, and secondly, to avoid the duty, which will be about 35 per cent. Mines-Brief Notes Gathered in the Am-

Hamilton, July 23.—(From The World's Staff Correspondent,)—Popular feeling is stirred up in the city over the blocking of the work on the hospital jubilee wing, and what makes things more aggravating is that Ald. Carscallen, the prime mover in the delay, is away at Rainy River. This evenink Ald. Griffith, first licutenant to the chairman of finance, looked up the location of Rainy River on the map and telegraphed Ald. Carscallen to put himself right with the Hamilton people. The World learned from an intimate friend of Mr. Griffith that he laid stress on the idea that unless this was done it would injure his chances at the coming Provincial elections.
