T. EATON CO. GANADA'S GREATEST STORE

Our Big Display of Toys and Dolls

If there is one thing more than another that truly reflects our preparation for the holiday season it is the magnificent assortment of Toys and Playthings on the First Floora display that at once stamps this store as the Toy Headquarters, for Toronto and Canada. This section is the Children's Fairyland. It contains Toys and Dolls of every size, every kind, every quality and every price from 5 cents apiece up to \$100 for a single Toy. All the popular old Toys are here, together with many new and novel things that are springing into popularity. But why say more, for everybody within reach of this store comes to see its Toy Display. What we want is for you to come now and bring the children with you, This is the best time. There is more to see, and there is greater comfort seeing. Enough said.

The third annual smoker of the old members of No. 5, Q. O. R., was held in Union Hall last night, with W. H. Blight in the chair. The following song by John Colston; whistling solo, Dick is the program that was rendered: A. R. Palmer; set-to by two buglers of Q.O.R.,

Ponton spent \$80 and could not explain where he got it. This was strong evidence against him. This was a fact of independent evidence. His answer was that he had saved \$50, which he wished to keep. This was in his pocket all the time. Thus statement, taken in connection with the facts, caused the question to arise, Did he have that cash? The judge left at to the jury.
