## Fall Novelties.

New goods are coming now in such pro-  
fusion that we must first take note of the  
general fact and ask you in to see.

Novelties appear in all the stocks. Of  
the splendid newness in Silks and Dress  
Goods many patterns have been divided  
between ourselves and large houses in distant  
cities. Nothing in Toronto begins to com-  
pare with the collection of New Dress Fabrics  
here. Our progressive methods not only  
bring all these things in rich profusion, but  
at reasonable cost.

The choicest things invite quick atten-  
tion. Quantities of each are necessarily  
small—not enough of any style to become  
common.
