## NEW WITHDREW HIS REPORT

Committee to Build New School Did Not Ask for Certified Cheques With Tenders.

## WOOLVERTON SUCCEEDS BURTON

An Election Will Be Held in Ward Four to Fill Vacancy Caused by a Death.

Hamilton, May 8.—It leaked out at the meeting of the Board of Education to-night that the business in connection with the proposed new school on Mary-street was not in accordance with the general practice. It was stated that the cost of William H. Brock, which was \$2000 lower than the next lowest tender for mason and brick work, was withdrawn after the tenders were in. The committee, strange to say, did not ask that certified cheques accompany the tenders, which rule is followed in municipal matters.

**Report Withdrawn.**  
The building committee asked the board to decide on the building of a new school at the corner of Mary and Wilson-streets, the estimated cost being \$22,250. As this did not include the architect's fees and other expenses, there was considerable criticism of it. After a long discussion Chairman Reed decided to withdraw his report.

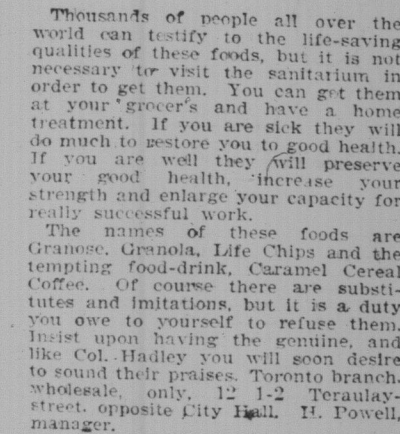

The reports of the other committees were adopted, although Trustees Hale made a vigorous objection to the recommendation that the principal of the Collegiate Institute be authorized to organize a rifle club.

Dr. F. B. Woolverton was appointed.

## COL. HADLEY'S LIFE SAVED.

He Was Near Death's Door, But the Common Sense Treatment of the Battle Creek Sanitarium Restored Him to Good Health.

Col. Hadley, the eminent New York evangelist, came to this city recently because of ill-health. He was a very sick man, the doctor pronouncing him suffering from angina pectoris, with a history of diabetes and nervous prostration, brought on by overwork. Medicine did him no good, so at a late hour he decided to go to the famous sanitarium of Battle Creek, Mich. Here he remained for six weeks, receiving the common sense treatment for which this large institution is noted. The sanitarium is situated in a beautiful spot, right in the heart of the state, and Col. Hadley's case that he was completely restored to good health.

Thousands of people all over the world can testify to the life-saving qualities of these foods, but it is not necessary to visit the sanitarium in order to get them. You can get them at your grocer's and have a home supply. If you are sick, or feel weak, or if you are overworked, do what Col. Hadley did. Buy the foods, eat them, and you will find that they will restore you to good health, and give you strength and enlarge your capacity for really successful work.

The names of these foods are Grape-Nuts, Life Chips and the tempting food-drink, Caramel Cereal Coffee. Of course there are substitutes and imitations, but it is a duty to yourself to return them, insist upon having the genuine, and like Col. Hadley you will soon desire to eat them. ## JUNGLE STOCK YARDS

## AN EVENT WHICH MARKS THE DEVELOPMENT OF THE CATTLE RAISING INDUSTRY GRACED BY MINISTER OF AGRICULTURE AND A DISTINGUISHED COMPANY—TOWN'S RAPID GROWTH PREDICTED.

Toronto, May 8.—The Union Stock Yards Company opened their yards at Toronto Junction yesterday by an inaugural dinner. The gathering was a most auspicious one, including many of the most prominent stock men and agriculturists of the province, representative citizens and members of the legislature. The large area under cover, the commodious pens, the modern offices and the conveniences for drovers and commission men visiting the market were a revelation to those who had not previously paid a visit to the place. The comments of visitors were most favorable to the undertaking and to the indefatigable energy of Mr. Hodgson, the manager, who, in a comparatively short time, has turned the large acreage of the site into a most enterprising and profitable business.

The dining hall, suitably draped with flags, was a commodious structure, capable of seating 200 persons. Last week the grassy area where this structure now stands, it was erected after the fashion of a stock yard, and was used as a lumber yard. The new building, which is a most enterprising and profitable business, will extend from Toronto-street to St. Clair-avenue.
