"CAED MILLE SAILPAT"

To London Old Boys and Girls

We extend a hearty welcome, and invite them to visit our big shoe store while here.

We are "old boys" ourselves. The father of this business, the late J. J. POCOCK, did a shoe business here, back in the fifties, and put up one of the first shoe exhibits at London's village fair. We have grown with the city, and are now the largest footwear dealers in Western Canada.

Our wholesale warehouse is on Carling street; retail store, 140 Dundas street. Call and make yourself at home. No suggestions to buy.

EARLY IN THE SEASON WE PREDICTED that the real estate market in city really would be extremely active, and the many transactions on the local market prove that our prognostication was well founded. Even through our office alone over \$100,000 worth of real estate has been sold. The tendency among buyers is still towards further investments. The extremely low rates now being paid on mortgages will have a tendency also of increasing investments in real estate. To meet this looked-for demand we have secured a number of very eligible properties. We can mention a few of the best, but if you will call at our office we will be pleased to give you full particulars of any property you think might be of interest for your requirements. We mention a few:

Piccadilly street—2-story brick residence, containing 10 rooms, all modern appointments, including hot water heating. Will pay 7 per cent.
