AUTO LEAVES BELVEDERE HOTEL at 6 p.m. Thursday to properties advertised Monday and Tuesday. Room for two more interested parties, Free outgoing trip. Return from Aylmer at own expense. Owner, Room 110, Belvedere. FIFTY ACRES. GOOD LAND. GOOD buildings, in Howard Township. For full particulars, apply to A. A. Campbell, owner, Box 148, Ridgetown Post-A REAL OPPORTUNITY.

A REAL OPPORTUNITY.

Owner, retiring, wishes to sell 640 acres, 2½ miles from Estevan, Saskatchewan, in the coal area. On main road, close to two lines of railway, all under cultivation except 80 acres fenced pasture. Has 8-foot seam of lignite coal at easy mining depth. Seam extends over entire section. Mineral rights go with the title and in the near future will be worth more than any farm land, east or west. This is a splendid farm and I will sell mineral rights and farm at the price of farm alone. Good buildings, good water. Will consider small Ontario farm near good town or Western prairie as part payment. Owner will be in London about August 18. If interested write Box 277, Advertiser.

WANTED MODERN COTTAGE IN

airplane is tipped over in a vertical bank, controls are pulled back, and the plane goes round in a sidewise, loop, losing a little altitude on each turn. Because the passenger's head is on the inside of this loop all the blood rushes up into the ears and affects the little channels and nerve centres, with the result that the stomach is upset. In this whirling downward course there is a terrifying roar in the ears and a sense of dizziness that few can survive without an inward revolt."

Another "stunt" that is bad for delicate constitutions is known as the "zoom." The nose of the airplane is headed straight toward the sky. Then the control is shoved forward, the tail of the ship flips up until the nose points traight earthward. After a short downward course it is again headed toward the heavens, the operation being repeated as long as its effects can be enjoyed, which for the novice isn't very long.

MY HEART AND MY HUSBAND ADELE GARRISON'S NEW PHASE OF

REVELATIONS OF A WIFE

What Mrs. Stockbridge Told Madge Over the Phone.

IARINELLA SYSTEM FOR FACE. scalp, chiropody. Removai of superfluous hair permanently. Miss Beattle, corner of Talbot and Fullarton. Phone 3927.

With rage and fright lest some should overhear her. It was small comfort to remember that both the Stockbridge telephone and the one at the school were unlimited lines, with no possibility of an inquisity subscriber "listening in."

Where? Home?"

"No, somewhere on business." I sugar a short, raucous laugh. "She'll have business enough to attend to in a day or two and so to attend to in a day or two and so to attend to in a day or two and so the complex of the school of the state of the school of the state of the school of the state of the school of t

that both the Stockbridge telephone and the one at the school were unlimited lines, with no possibility of an inquisitive party subscriber "listening in."

The telephone operators were to be considered. O, course, I knew that it was against the rules for them to listen to conversations, but Ialso knew that it would be a remarkably well controller girl who could refrain from listening to this conversation if she caught any word of it while performing the necessary duty of assuring herself that we had secured our connections.

I would have hang up the receiver as soon as I heard her first words had Into felt that it was imperative for me to find out what she meant to do. She might be planning to come to the schoolhouse. If she were I decided swiftly that I would be somewhere else when she arrived, preferably as far away as possible.

To the Point.

Where? Home?"

"No, somewhere on business."

"Business!" she gave a short, raucous laugh. "She'll have business enough to attend to in a day or two and so will you. Look in the paper day after tomorrow, and see if there isn't sometime to intend to in a day or two and so will you. Look in the paper day after tomorrow, and see if there isn't sometime to it that will interest you strangely."

Strangely Interrupted.

Strangely Interrupted.

She laughed hysterically at her own and so will you have hang up the receiver as soon as I heard her first words had Into the paper day after tomorrow, and see if there isn't sometime to in." And whereas the provincial public double has increased at an alarming rate (now exceeding \$100,000,000), and the annual expenditure of the province has increased almost five-fold in the last fifteen years:

Strangely Interrupted.

She laughed hysterically at her own and the Legisland (now exceeding \$100,000,000).

"And whereas be provincial public (now exceeding \$100,000,000) and the annual expenditure of the province has a laure of privileged urban interests of laure of privileged urban interests of atture of privileged urban interests of a laure

cent of the people were living on the 30 per cent, who were on the farms. The pity of it was that their hands were against those of their own children who had deserted the farms. He said that the farmers of themselves could do nothing unless they could make a strong enough case that would appeal to the better classes of the people in the populated centres. However, they had something that had never been tried before and he was positive it would not fail. They must not think of cleaning up Toronto or Ottawa until they had cleaned up their own door yard. Good men who knew the muck heap at Toronto or Ottawa refuse to go there and EXPLOSION IS ronto or Ottawa refuse to go there and run a chance of besmirching their reputation. They would only go when Minister of Railways and had the strong moral support of their constituents. A. A. Powers of Durham chanted the funeral knell of the present administration at Ottawa. He dwelt on the national debt, and if there was anything

Canals Appoints Board of Engineers. tional debt, and if there was anything the Government was not guilty of Mr. Powers just happened to forget it. He then read the platform of the U. F. O. which was for the first time presented with the control of the

named for the different townships.

Several Proposed.

When it came to the nominating of a candidate the following were named:

J. H. Reid, Huron Township; John Shiells, Huron Township; John Shiells, Huron Township; Gid Ruttle, Huron Township; Archie McLean, Bruce Township. All retired but Mr. McLean, and he finally pulled out and the convention made it unanimous for Mr. Ruttle, who was not present. It is understood he has accepted the nomination conditionally. He is the present reeve of Huron.

In this report, it was announced.

PARK AT INGERSOLL

INGERSOLL, Aug. 12.—The work at the new Central Park will include a cement wall along the north end from where there is a curve in the water course to a small bridge that crosses it. This wall will strengthen the bank and also serve an important purpose in the beautification plans of the park committee. purpose in the beautification plans of the park committee.

Work on the concrete paving on the south end of Thames street has been temporarily interrupted because of dif-ficulties which developed. These were mainly in regard to surface drainage. New levels are now being taken and new devices employed for crowning.

away as possible. To the Point. Under the stimulus of this possible danger my wits worked swiftly. One necessity was imminent. She must be made to think there was no one else in the schoolhouse, and that I was leaving at once. I shivered at the possibility of glum, suspicious Miss Wines or prim Miss Pratt coming into the office—as they were apt to do at any moment. Milly Stockbridge's words were distinctly audible in the room, she is a way as possible. The next instant it had sounded specting commercial co-operation to distinct terror. Then there was a sudden severance of the telephone connection. But there had been no click of the telephone receiver being replaced upon the hook, no slight noise such as I have sometimes heard when central has severed a connection suddenly. With a sudden unaccountable feeling of accurate records and to the general education along co-operative five lines. 4. To provide equal educational opportunities for all the children of all the connection suddenly. With a sudden severance of the telephone receiver being replaced upon the hook, no slight noise such as I have sometimes heard when central has severed a connection suddenly. With a sudden unaccountable feeling of mysterious terror I shivered as with the ague. The Adventures of Jimmy Coon

their sweet desearch. Chatterbox, the Red Squirrel, remarked that he thought the reason the honey was held so high was that too much sweet was bad for children. Cousin Bruin's mouth was watering all this time, and he said: "Now much those little Bears should eat, but Is I do know that Aunt Matilda is eating to much honey for hone for honey for honey for honey for hone honey for honey for hone honey for
