Thoroughbred Stallions, Brood Mares, Two-yearold Colts and Fillies,

THE PROPERTY OF THE ESTATE OF THE LATE WM. HENDRIE,
ESQ. (VALLEY FARM STABLE, HAMILTON),
will be held at THE REPOSITORY on

Wednesday, Sept. 28th

This sale takes rank as one of the most important that are held in Canada during the course of the year, and we may say that in receiving instructions to hold this special sale we were informed that this would be the greatest and most important auction of Thoroughbreds ever held in Canada. In previous years, at such similar sales, we have sold such well-known horses as "DENHAM." "SHIMONESE" and "KELVIN," among many, many others. Catalogues will be ready within a short time, and are had for the asking.

RACE-HORSE MEN should be interested in the fact that we are making a special cut in the prices of all Horse Boots and Horse Goods during the next two weeks. This special reduction pertains to all Racing-Horse Goods, with the exception of Gilliam Grand Circuit Hopples, and on these our price is now, as heretofore, only \$11.75 per set.

Our CARRIAGE and HARNESS DEPARTMENT occupies four floors of our Main Building, and, as Exhibition opens within so short a time, we take this opportunity to invite any visitors to call and inspect our complete stock of Horse Goods,

TO THE WASTE BASKET Where Sensational Charges Should Have Gone, Says Judge

MONTREAL, Aug. 19.-(Special.)-Judge Demers placed so little confidence in the story of the plot to ruin the eucharistic congress, that he remarked in the superior court to-day that the charges should have been thrown in the waste basket. The case came up in hearing the application for a writ of injunction to prevent the city from continuing the investigation. Justice Demers said:

"I must say first that I do not attach much importance to the accusa-tion preferred against Emancipation ter of accusation of Millette had been referred to the board of control, it would have gone to the waste paper basket, as it would with any sound business man."

As City Attorney Ethler deposed no more witnesses were to be called to give evidence, the court reserved judgment as to the jurisdiction of the city to hold the said investigation respecting the affairs of the Lodge Emancipation, several of whose members are city employes.
