## U. S. TO SELECT THEIR POLO TEAM

Will Endeavor To Get Strongest Combination For Big Series.

New York, Aug. 13.—With the British ponies stabled on Long Island and the British players on their way across the Atlantic, followers of polo are beginning to realize the nearness of the Challenge Cup, and with that realization comes a bit of anxiety over the fact that the American team has not yet been selected. But there need be no worry as to the ability of the United States to send a four on the field capable of meeting the invaders on at least even terms. Six players have been produced in the trial matches at Meadow Brook who are capable of holding their own in any sort of competition, and from those six horses undoubtedly the four will be selected on whom will rest the defence of the trophy.

**SWIMMER INJURED.**  
Dover, England, Aug. 12.—The young Argentine woman, Lilliam Harrison, owing to injuries received in striking her leg against a rock when she started Monday in an attempt to swim the English Channel from Cape Gris Nez, France, to Dover, will not be able to take the water again for a week. Dr. Tillot, her Boulogne physician, sent word to Dover to this effect today. Dr. Tillot found that the muscles in her thigh had been severely strained.
