Three Big Ones Matched.

Bangor, Me., Sept. 15—Arrangements

were completed today for a race be-

tween three club owned Aroostook free-

for-all pacers on the Bass Park track

here long known as Maplewood Park on

Thursday afternoon, September 21, for

a \$5,000 stake, winner take all. It will

be a three heat race, the horse topping

the summary at the end of the third heat

to be declared the winner. The con-

testenders are John R. Braden, 2:02 3-4,

owned by the Moose Club of Presque

Isle; Roy Grattan, 2:01 3-4, owned by

the Caribou Driving Club, and Jackson

Grattan, 2:01 3-4, owned by the Houlton

Driving Club.

Coming Races.

Latonia, Ky., Sept. 16—(By Canadian

Press)—Nominations for five of the

horses to be run at the fall meeting at

"Death Valley" track have been announ-

ced by the Jockey Club. These events,

four of which are for three-year-olds and

upward and one for juveniles, have at-

tracted the best talent owned by leading

breeders of America.

The Autumn Handicap, for three-year-

olds and upward, a six furlong dash for

\$5,000 in added money, has sixty nomi-

nations. Harry Payne Whitney has nomi-

nated four, the best of which are Tre-

ster, Calandry Jane and Broomster. Ben-

jamin Block's Morvich, also is eligible,

but it is doubtful if he will run. G. L.

Blackford's Centimeter, F. M. Bolt's

Jack Hare, Jr., E. B. Bradley's Bit of

White, C. E. Rowe's mare, Miss Jemima

and Morvich, C. W. Clark's Whiskaway and

Whitney's Prudish, his Bunting, the

1921 future winner, also his Broomster

and Tryster; Alf Vogel's Thibodeaux,

Montfort Jones' Rouleau, his Rockmin-

ster and Miss Joy and Lady Madcap.

Brudelbane, and Naughty Nibbs, of

the Desha Breckinridge stable, are among

the stars. The race is of special inter-

est because it probably will bring to-

gether the leading stakes horses of the

year. Morvich, hailed in the spring as

the three-year-old champion, Whiskaway

his conqueror, Bunting and Rockminster

would make a sterling contest.

The famous distance event of the La-

tonia autumn races, the Latonia Cup for

three-year-olds and upward at two miles

and a quarter, a great test, has attracted

some of the best known campaigners.

Forty-three have been nominated. Min-

to II, Thibodeaux, Bon Homme, John Paul

Jones, Blarney Stone, Firebrand, Rock-

minster, Lady Madcap, Bit of White,

Bet Mosie, Dr. Clarkland Cherry Tree

may be among those to go to the post.

The Covington Handicap, at a mile

and three-sixteenths is the other handi-

cap event for three-year-olds and up-

WARD. There are half a hundred nomi-

nations. Though Morvich is not among

the nominees, Thibodeaux, Prudery,

Bunting, Rockminster, Firebrand and the

Bradley cracks may make up a good field.

The juveniles event, the Fort Thomas

Handicap, at six furlongs has 101 nomi-

nations. It is a difficult task at any

time to select the most likely youngsters

from a list of more than a hundred.

Some of these will take their first start

in the event, and all the others have

shown some sort of good form.

Lady Dilham Dead.

Newport, R. I., Sept. 16—Lady Dil-

ham, widely known show horse owned

by Reginald C. Vanderbilt, died of pneu-

monia recently at the Vanderbilt stables

at Sandy Point farm. The mare, nine-

teen years old, was regarded as one of

the best in her class and had won many

championships and ribbons throughout

the country. She was by Elegant ad,

out of Dilham Prime Minister.

RING.

Halifax Bout.

Halifax, N. S., Sept. 16—Jack Mc-

Kenna of North Sydney, amateur wel-

terweight champion of Nova Scotia,

successfully defended his title in a three

round match at the Arena last night

with Arthur O'Grady of Halifax. Mc-

Kenna scored two knockdowns in the

third round.

British Win Again.

Oyster Bay, Sept. 16—Two British

boats, Reg and Colla 3rd, finished first

and second in today's international six-

metre race, the fifth of a series of six

for the British-American Cup and the

British team also won the day's event,

19 points to 17. British craft finished

one-two twice around the six mile

ward and windward course. Norman

Clark Neill's Reg leading the fleet in

elapsed time of 2 hours, 4 minutes with

Promoters Hope, in Return,
to Get Views of Mystery
Land and People.

London, Aug. 30—(Associated Press,

by Mail)—Thibet, it is hoped, will not

much longer be the land of mystery.

Nor will the great outside world, it is

expected, continue to be the great land

of the unknown to the Thibetans. They

are to be offered an opportunity of see-

ing, in the movies, something of the won-

ders to be found in the vast world be-

yond Thibet. In exchange it is hoped

they will allow cinematograph pictures

to be taken of the wonders of Thibet for

people of other lands to see.

A cable just received in London an-

nounces the arrival in Calcutta of the

members of a British Buddhist Mission

to Thibet. They have begun the long

and difficult journey on foot through the

Himalayas.

On their way to Darjeeling the mission

visited the Bodhidharma or "Tree
