T keeps them in good natural health. Dad takes a spoonful in I a glass of water each morning to remove gases from the stomach —clear his liver, and get ready for the day's business. Mother wards off that approaching headache. The kiddies get a drink of Eno's, whenever they are not regular, or when too many cakes or goodies have been eaten.

Thousands of families who never need "dope" take Eno's in this way as a corrective. We even know of offices where Eno's is supplied by the firm for its staff as a refreshing drink to offset the results of too close work at figures or typing. Test it for yourself—take a drink of Eno's Fruit Salt when you're out of sorts. A spoonful in water makes a delightful drink—cool,

Get rid of the impurities in your blood-cleanse and stimulate the organs of your body into healthy action by the aid of this best of all natural tonics and aperients. Eno's is agreeable to take and acts gently and naturally. Eno's is the only and original FRUIT SALT—quite different from salines and so-called "Health Salts." It is endorsed by Medical Men all over the world and has

"For Every Member of the Family" You'll find ENO'S in the Best Homes

When to take **ENO'S** FIRST thing in the morning is generally the best time to take "ENO'S." It can, however, be taken at any time with health-ful and beneficial
