## DID NOT BELIEVE U. S. WOULD FIGHT

New York, Jan. 22.—Miss Lillian  
Goldman, formerly attached to the  
American embassy in Berlin and later  
attached to the Dutch legation in that  
city, who left the German capital about  
two months ago and is now in New  
York, said that while food supplies in  
Germany were very much restricted,  
there was no danger of famine. "The  
shortage, however," she said, "is felt  
throughout the empire, and calamity has  
been averted only by very strict con-  
servation measures."  
President Wilson's war speeches have  
been published in Berlin papers, ap-  
parently without alteration, so far as I  
could see. At least I read some of them  
in the German papers and received the  
same impression that was gathered in  
this country. But though the German  
people are allowed to read these speeches,  
they have grown up does not permit  
them to have full understanding.  
"Germany did not realize the true  
character of America. Most of the  
people are allowed to read these speeches,  
they have grown up does not permit  
them to have full understanding.

## BRINGS MESSAGE OF CHEER TO MOTHERS

English Soprano Has Sung To  
Many Canadian Boys  
In Trenches

New "Raid Sickness" Strikes the Lower  
Part of Body, and Takes Six Weeks  
To Pass

Miss Lillian Dillingham, known in  
England as the brilliant Yorkshire so-  
prano, has arrived in Toronto, and it is  
her intention to make a western tour  
and devote her time in giving a series of  
concerts to assist various local patriotic  
societies to carry on their work. Like  
the rest of her family, Miss Dillingham  
has given her entire time since the out-  
break of war to help brighten and cheer  
the lives of the soldier-boys. She has  
spent a number of months in France, where  
she has visited all the large hospi-  
tals and cheered the soldiers with her  
songs as they were brought in wounded  
from the battlefield. Miss Dillingham  
made a point of being in France when  
a large number of boys were being  
brought in from the front. "During the last  
big fight in the early fall several of us  
were present as the men were being  
rushed in to a large hospital from the  
clearing hospitals. It was a terrible  
sight," said Miss Dillingham, "to see  
the long line of ambulances bearing  
men, worn and spent with days of fight-  
ing, their clothes all caked with mud  
and hundreds of them bandaged so you  
could not see what they looked like.  
Many of them were suffering so they  
could not speak, and even then they  
were laid in a long row outside of the  
hospital until accommodation could be  
arranged for them. It is a time when  
the first thing the boys asked me as I  
passed them was 'What are you doing?'  
'Couldn't you give us a song?' and even  
those that were severely wounded would  
show their appreciation. 'Conching Home'  
is a strong favorite with the boys, and  
during the early part of October I sang  
it alone fully sixty-nine times."

Not only in France, but in England,  
has Miss Dillingham been in close touch  
with the Canadian soldiers and she brings  
a message to Canadian mothers of the  
splendid spirit and work of their boys  
at the front.  
"In speaking of conditions in England  
and France, Miss Dillingham said: 'It is  
wonderful how the boys have accepted  
war as their life and there is never a  
murmur of complaint. It is among those  
who remain at home the greatest grief  
is seen. Mothers who are left with  
small children become terrified during  
the air raids. They flock to the tubes  
and usually sleep there all night. At  
the present time there has been a new  
disease break out known as 'raid sickness'.  
It strikes the lower part of the body,  
the limbs shaking uncontrollably, and it  
usually takes from six to seven weeks to  
get over it.'"

**A Narrow Escape.**  
"The people of London know nothing  
about air raids as compared to France,"  
continued Miss Dillingham—"poor Calais  
is nothing but a city of ruin. The people  
are very brave, and although air raids  
are common you never hear a murmur.  
The siren whistles blow and every one  
gets under cover."

Miss Dillingham said on her recent  
visit to France an air raid took place  
quite near the ship and the shells pattered  
down in all directions. While in  
Boulogne a large Zeppelin appeared over-  
head, and without any warning shells  
were dropped over the beach where the  
people were sitting. One large shell fell  
within five feet of Miss Dillingham and  
her companion, and was buried away in  
the sand. "Fortunately for us it was a  
dead one or there would not have been  
anything left of us," she said.  
In speaking of the food situation, Miss  
Dillingham concluded "it is very critical."

## To Have Perfect Skin Throughout the Winter

These days the face and hands need  
special care. The cold, dry weather  
causes the skin to become dry and  
chapped. The best remedy is to use a  
good skin cream. This keeps the skin  
soft and supple, and prevents the  
formation of wrinkles. The cream  
should be applied to the face and hands  
after the skin has been washed and  
dried. It should be used twice a day,  
once in the morning and once at night.

Gift to Church for Silencing Bell.  
Charles T. French, who died on Nov.  
17 last at 235 Van Buren street, Brook-  
lyn, left \$800 in his will to the pastor of  
St. Paul's Protestant Episcopal church,  
Woodbury, Conn., "in token of my grati-  
tude for the consideration of the church  
in having the ringing of the church bell  
suspended on July 13, 1864, while I was  
in the hotel opposite the church, the vic-  
tim of an accident in which I lost my  
right eye." Mr. French left an estate of  
\$85,000 which was divided among forty-  
four legatees. The bulk of the property  
went to his brother, Louis French.

**THE POWER BEHIND  
THE STRONG VIGOROUS  
IRON**  
Dr. Ferdinand King, a New York City Physician and Medical Author, says:  
"There can be no strong, vigorous, iron men, nor beautiful, healthy, rosy-check-  
ed women without iron—Nuxated Iron taken three times per day after meals will  
increase the strength and endurance of weak, nervous, run-down folks 100 per  
cent. in two weeks' time in many instances. Avoid the old forms of metallic iron  
which may injure the teeth, corrode the stomach, and thereby do more harm  
than good. Take only organic iron—Nuxated Iron." It is dispensed in this  
city by Wasson's Drug Store and all good druggists."

## "Everything I Eat Turns to Gas— Stomach on Fire With Indigestion!"

Simple Antacid Taken With Meals Prevents Gas, Bloating, Belching, Heart-  
burn, Sour Stomach and Acid Indigestion. Eat Freely  
Without Fear. No More Diet.

People who have "stomach  
trouble" and who suffer after nearly  
every meal from sour acid, gassy  
stomach, bloating, heartburn and in-  
digestion should just try taking a  
couple of 6-grain bisulphated magnesia  
tablets after their meals for a while  
without trouble. So remarkable is  
the action of bisulphated magnesia in  
stopping stomach distress that as a  
rule the worst pain, burning or sour  
sensation will vanish within five min-  
utes from the time it reaches the  
stomach. Any dyspepsia or stomach  
sufferer can prove this easily with a  
single trial and with perfect safety  
as bisulphated magnesia is harmless  
and in this form is not a laxative.  
Get a little Bisulphated Magnesia  
from your druggist and try it at your  
very next meal and forget all fear of  
indigestion.

**Canada's Wonderful  
Honor Roll**

CONTAINS THE NAMES OF  
OVER 400,000 MEN WHO HAVE  
ENLISTED TO HELP FREE THE  
WORLD FROM OPPRESSION  
AND MAD MILITARY AMBITION

But there is a longer list than that by far. There are  
over 2,000,000 Fathers, Mothers, Brothers and Sisters  
of those men who have gone to the front, who have en-  
dured the sorrows of parting, who have gone through  
the agony of apprehension without a murmur, and who  
have shown a fortitude but a little short of the self-  
sacrificing heroism of the men at the front.

These Next of Kin of the gallant Canadian  
soldiers at the front, or who are destined to go  
there, deserve the recognition of all Canadians  
and are entitled to be on an Honor Roll of imper-  
ishable fame, for they have made sacrifices most  
cheerfully, and have endured much that Right and  
Liberty may triumph.

That the relatives of the men in khaki may  
show a tribute of honor and respect to their loved  
ones a most suitable "IN HONOR" BADGE has  
been prepared at the suggestion of the leading  
newspapers of Canada, similar to the designs  
herewith shown.

That these Badges may be the last word in  
quality of manufacture, in beauty of design, and  
in appropriateness to the great cause for which  
they will be worn, the firm of Henry Birks &  
Sons, Limited, of Montreal, were invited to be the  
sole manufacturers of these badges.

They are made of bronze, very dainty and at-  
tractive, and are most fitting tributes of respect  
to those who have enlisted.

These Badges are now ready for delivery, and  
can be secured through the use of the Order Form  
below, and in no other way except from the news-  
papers interested. Send in your order while our  
first consignment is available.
