FLUSH KIDNEYS Eat Less Meat if You Feel Backachy or Have Bladder Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you fell a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the sours, tongue is coated, and when the weather is bad you have rheumatic twinges. DRINKING FOR 24 YEARS A PHYSICAL WRECK CURED BY

THE GATLIN TREATMENT A man who had been drinking steadily for 24 years came to the Gatlin Institute for treatment. He was a physical wreck, and so extremely nervous that his hands were always shaking.

The habit was broken, his nervousness disappeared, his health improved; and he was even able to shave himself. He left the Institute a new man, with confidence in himself, and no more desire for alcoholic drinks, and this was all accomplished in 8 days.
