

TWELFTH ANNUAL CONFERENCE.

15. That the Conference strongly recommends to Trustees that all our Connexional property be insured.

16. That in future Missions becoming Mission Circuits shall pay to the Children's Fund the first year one-third of the apportionment, the second year one-half, the third year two-thirds, the fourth year three-fourths, after which the whole of the amount shall be paid.

17. That whenever the Registration Book of Baptisms in any Station is filled up, the Minister shall immediately label the said Book belonging to the Station with the length of time it covers, and send it to the Book Room in Toronto for safe keeping; and shall also enter in the new book a record of the date and deposit of the old book.

18. That the Brother appointed Editor, Book Steward, and Missionary Secretary shall continue in said office no longer than five years, and that he will be liable to removal by any Conference during that time; and that his removal shall be absolute at the expiration of the five connexional years of his appointment.

19. That question 4, page 15, of the Discipline, which now reads, "Is he embarrassed in circumstances?" be altered to read as follows:—"Is he in debt? If so, to what amount? and what are his means and prospects of payment?" This regulation to apply to Hired Local Preachers, as well as Candidates for the Ministry.

20. ON GARDENS.—That in case of a Minister's removal, the Committee of the Station is kindly requested by Conference to hold a "Bee," or otherwise, and prepare the garden for the incoming Minister,—the outgoing one to direct, as much as he possibly can, the necessary preparations.

21. That no Mission Station shall commence the building of a New Church until the District Committee has given its sanction, on being properly applied to.

22. That we express our sympathy with Orangeville Mission, in not yet being able to become a Circuit; but trust by next Conference, at least, this result will take place.

23. That in the present state of our financial affairs, the Conference is of opinion that Grand River and Bosanquet Stations should become Mission Circuits forthwith.

24. That a reply be sent to the Fraternal Address of the Primitive Methodist Conference in the Western States.

25. TORONTO CIRCUIT.—That this Conference expresses its thanks to Robert Walker, Esq., for his generous gift of land and commodious Church on Parliament Street; and also for erecting additions to Alice Street Church, whereby the Sab-
