PATENTS. In connection with the Scientific American, Messrs. Munn & Co. are Solicitors of American and Foreign Patents, have had 24 years experience, and now have the largest establishment in the world. Patents are obtained on the best terms. A special notice is made in the Scientific Amer- ican of all Inventions patented through this Ag- ency, with the name and residence of the Patentee. By the immense circulation thus given, public at- tention is directed to the merits of the new pa- tent, and so its introduction often easily accom- plished.

Any person who has made a new discovery or invention, can ascertain, free of charge, whether a patent can probably be obtained, by writing to the undersigned. We also send free our Hand Book about the Patent Laws, Patents, Exem- ptions, Trade Mark, their costs, and how procured, with hints for procuring advances on inventions. THE GREAT CAUSE OF HUMAN MISERY.

We have recently published a new edition

of Dr. CUTLER'S "COLUMBIAN PSYCHIC

of the radical and permanent cure (without

medicines) of Nervous Debility, Mental and Phy-
sical Incapacity, Impediments to Marriage, etc
resulting from excess.

Price, in a sealed envelope, only 6 cents,
or two postage stamps.

The celebrated author in this admirable Essay
clearly demonstrates, from thirty years successful
practice, that alarming consequences may be rad-
ically cured, without the dangerous use of inter-
nal medicine, or the application of the knife;
pointing out a mode of cure at once simple, cer-
tain and effectual, by means of which every suf-
ferer, no matter what his condition may be, may
cure himself cheaply, privately and radically.

This Lecture should be in the hands of
every youth and man in the land.

Parks' Cotton Yarns!

Awarded the Only Medal Given at the

Centennial Exhibition

For Cotton Yarns of Canadian Manufacture.

No. 15 to 100.

WHITE, BLUE, RED, ORANGE and GREEN.

Made of Good American Cotton with great care

Correctly numbered and Warranted Full

Length and Weight.

WE would ask the purchasers of Cotton Warp

to remember that our Yarn is spun on Thor-
ow's Frames, which make a stronger yarn than the
Ring Frames, used in making American yarn.

It is also better twisted and more carefully reel-
ed; each hank being tied up in 7 less of 120
yards each. This makes it much more easy to
wind than when it is put up without less—the
American is—and also saves a great deal of
waste.

Those acquainted with weaving will understand
the great advantage it is to them to use yarn put
up in this manner.

COTTON CARPET WARP,

Made of No. 10 Yarn, 4-Ply Twisted.

WHITE, RED, BROWN, SLATE, &c.

All fast colors.

Each 5 lb bundle contains 10,000 yards in

length and will make a length of Carpet in pro-
portion to the number of ends in width.

We have put more twist into this warp than is
formerly had, and it will now make a more dur-
able Carpet than can be made with any other ma-
terial. Since its introduction by us, a few years
ago, it has come into very general use throughout
the country.

All our goods have our name and address upon
them. None others are genuine.
