INCREASING INTEREST.—The meetings a St. Paul's church this week are proving ineresting and helpful. Last evening, Rev. Dr. Dempsey gave an address upon the "Church Universal," full of heart searching thoughts, the effect of which must be great y beneficial to all who heard him. All parts of the service seemed sanctified by the presence of the Gracious Spirit. Every

one is welcome to these meetings. CHORAL SOCIETY .- This excellent musi cal organization held a rehearsal last night which was most encouraging. Several new members were in attendance and a profitable time was spent. The date for the concert has been definitely fixed for Tuesday, the econd day of March, when one of the best musical programmes that has ever been listened to here will be given. Two firstclass artists will be engaged for the even-ing. Subscription lists will be in circulation in a few days and it is to be hoped that they will receive a liberal response.

GIVEN AWAY-The two large candy canes which have been displayed in Gibson's and Archibald's stores, were given away last night. The one manufactured by Mr. Gibson was the larger of the two, weighing 26 pounds, I ounce, and was won by Mrs.
John Mitchell. The other tipped the scales
at exactly six pounds. In this contest, two
persons fixed the weight the same and to settle the dispute satisfactorily, the cane was equally divided between them. James Mc-Niven and Lucy Daniels were the winners. In the contest for the larger cane, ed the same and in drawing for it, Mrs. Mitchell proved to be the lucky one.
