The Great Question in G. B. Referring to the position of the

ranchise bill question in England, beof fore the rejection of Lord Wemyss' its bill by the peers, a London despatch

which he says that he still hopes to mists of which race prejudices have been there. He said he had no money. He avert the loss, of the franchise bill. fostered for centuries. It is a duty de. said he took the cooking stove, two lamps, A conference of conservative peers and members of the House of Commons was that there are no differences between broken his stove going into the woods and held. Lord Salisbury vigorously de-nounced Lord Wemyss's proposed mo-ties which the public service can recog-above named articles. He said he did not tion that the House of Lords should nise. All are equal in respect of religion take the sled and chains, after I had punishment. There is some talk of a and nationality, or the constitution is a asked him whether he did or not. I said consider and pass the franchise bill. Lord Salisbury said that the House of Under and a state of the constant of the founders of Confederation a deception and the Union was no other person there to take it, he has a shirt and two canes—the forme Lords would stultify themselves if they Confederation a deception and the Onion | Was no other person where the other was no other person entertained Lord Wemyss's resolution. Isself an imposition. Ine day is, such a did you not fasten the camp up and write did you not fasten the camp up and write which was proposed on his own initi-ative. He urged theHouse of Lords to ignore all threats and to firmly refuse Bitters. In permit the franchise bill to pass the or Yankee and not French, or French and broken into and you did not mention it to to permit the franchise bill to pass the second reading until the government should distinctly explain its plan for a redistribution of seats in the House of Commons. The Earl of Jersey urged a compromise. Lord Wemyss explained why he favored a compromise on the bill. The meeting by an almost unani-mous vote resolved to refuse to pass the franchise bill until the government's plan for a redistribution of parliamenthe franchise bill until the government of plan for a redistribution of parliamen-tary seats was submitted. The Pall Mall Gazette continues to threaten the Matt Gazette continues to threaten the House of Lords. It says: "If the com-promise on the franchise bill is rejected the Liberals will not sheathe the swore which is incompatible with the government of modern England. It is claimed that

chise bill would put the opposition com-pletely at the mercy of the govern-ment. With the franchise as it stands, the conservatives have good hope of carrying the next House of Commons. Even with an enlarged franchise, if accompanied by a fair redistribution measure, they might also look for a favorable issue. But if the new fran-chise were to come into operation under the present distribution or under an un-

the present distribution or under an un-fair redistribution of seats they would have no change at the next general election."

I found the window on the time, that the concession is made to the side of the camp broken out; the door turned the attack with canes. Is the bane of so many lives that here is where we make our great boast. Our pills cure it while others do not. Carter's Live Liver Pills are very small and very easy to take. One or two pills make a doe. They are strictly vegtable and do not gripe of st.
