CHATHAM, N. B. - - MAY 20, 1896 Children naturally object to nauseous medicines. When troubled with Worms they often suffer for want of sound sleep The Tory Organ and the Provincial

propose to make good this position by a few extracts. The Sun called the government a "Grit" government, and the government a "Grit" government, and the government candidates "Grit" candidates:—

(Sun, April 6th.)

Oppose them all. We hope that not ickets supporting the local government will be elected without opposition. In every county the Liberal Conservatives should place the best available men is the field and should contest every inch of ground. If they allow themselves to be beguiled into supporting the present Gritgovernment they will find out their mistake at the next Dominion election. The Liberal Conservatives of St. John do not need this reminder; they learned a lesson last fall which will serve them through this contest.

(Sun, April 7th.)

And the convention to nominate opposition candidates in St. John was called as a convention of the party, officially summoned by their chairman and secretary as such, as witness the following notice published in the Sun:

such, as witness the following nonce particles and in the Sun:

A convention of the Liberal Conservative party will be held in the Domville building to-morrow, Thursday evening, 8th inst., to nominate candidates to represent St. John city and county in the house of assembly.

The convention met as a Liberal Conservative convention and nominated its candidates as the candidates of that party, as witness the following editorial extract from the party organ:

An Excellent Catter Rewarded

The friends of the Liberal Conservative candidates are requested to meet in the young men's Liberal Conservative club rooms, Fosters corner, this Monday evening, at 8 o'clock, to organise for campaign

The six Liberal Conservative candidates, having accepted the party nomination all announced themselves in their cards as nominees of the Liberal Conservative party, as witness the following extracts from their cards:—

(Election Cards, Sun, April 13) (Election Cards, Sun, April 13)

Having been chosen at a convention of the Liberal Conservative party, as canddates for the representation of the city of St John in the local legislature, and having accepted the nomination we ask your support. We are opposed to the policy of the present local government.* * (Signed)

St. John, at which all parts of the constituency were represented, we were unanimously nominated as candidates for the city and county in the local legislature. Having accepted the nomination, we respectfully offer ourselves as candidates for your suffrages. We are opposed to the policy of the local government. *

(Signed) JAMES ROURKE, John A. CHESLEY, JOHN CONNOR, GEO. G. GILBERT.

And so on through "the campaign the party organs in St. John and Moncton told of "grand Liberal-Conservative rallies," of "mass meetings of the Liberal-

rallies," of "mass meetings of the Liberal- | BIL!OUSNESS, Contervative party," and of the imagined excellence of Liberal-Conservative prospects. Of the five daily newspapers published in the province, two in Moncton and three in St. John, the three Liberal dailies supported the government, and the two Conservative dailies opposed the government. The provincial government and the journals supporting it have opposed the introduction of dominion politics into provincial elections, and this view is now so fully endorsed by the people, that we trust we shall have less of it in the future. At all events the Tory organs and party managers have met with a severe rebuke, and if it is understood abroad as a Tory defeat the St. John Sun and Moncton Times have themselves chiefly to blame. pects.
