

Followwoman.

Mrs. Isabella Beecher Hooker lectured in New York a few evenings since on Palm reform and proposed that women should share the duties, emoluments, and honors pertaining to the police force.

Of course it will be necessary to alter the uniform, slightly for the proposed new members, and a design has already been adopted in a recent meeting of the commission.

It is interesting to note that the reform proposed by Mrs. Hooker is not a new one, but has been tried in various parts of the world.
