FOR DYSPEPSIA, Ayer's Sarsaparilla Is an effective remedy, as numerous testimonials conclusively prove. "For two years I was a constant sufferer from dyspepsia and liver complaint. I doctored a long time and the medicines prescribed, in nearly every case, only aggravated the disease. An apothecary advised me to use Ayer's Sarsaparilla. I did so, and was cured at a cost of \$5. Since that time it has been my family medicine, and sickness has been my family medicine, and sickness has become a stranger to our household. I believe it to be the best medicine on earth."

—P. F. MeNulty, Hackman, 29 Summer st., Lowell, Mass.

FOR DEBILITY, Ayer's Sarsaparilla Is a certain cure, when the complaint originates in impoverished blood. "I was a great sufferer from a low condition of the blood and general debility, becoming finally, so reduced that I was unfit for work. Nothing that I did for the complaint helped me so much as Ayer's Sarsaparilla, a few bottles of which restored me to health and strength.

I take every opportunity to recommend this medicine in similar cases."—C. Evick, 14 E. Main st., Chillicothe, Ohio.
