cination was not well done, that from its effects she became ill and that she will never again regain her strength on account of the polson injected into her system

COMING TO ST. JOEN. COMING TO ST. JOEN. QUEBEC, Jan. 25.-An important deputation, including some of the lead-ing mer of Quebec, leave here tomor-row for Haifax and St. John to ad-dress the local public bodies, boards of trade, etc., in the interests of the trans-Canadian railway, which pro-poses to utilize the ports of the Can-adian maritime provinces instead of the United States winter port of the Grand Trunk system Aiready this com-pany has reason to hope that both On-tario and Quebec will give it a good land subsidy. It will help Manitoba by being able to carry its wheat to the Atlantic seabord at a saving of one-thid of the existing rates per bushel. It will be the shortest trans-contin-ental line in North America and the most advantageois route for the shp-ment of imperial troops to the Orlent, being so far north as to be perfectly secure from interruption in the event of trouble with the United States, it will open up the enormous wheat ley. The deputation to the maritime pro-vinces will consist of J. G. Scott man-ager of the Quebec and Lake St. John and Great Northern railways; A. Er Doucet, chief engineer of the trans-Canada railway: Hon, Jules Tessier; ex-speaker of the Quebec legislature; Hon. Charles Langeller, sheriff of Quebec; Mr. Girard, M. P. for Lake St. John; Col. B. A. Scott and Lt. Col. Walter Ray.

to deal with this question. Under these circumstances I ask, does he not deserve sympathy and help rather than question of today, for the men of to-today. If we have good boys today we will have good men tomorrow and vice versa. Those of you who know me best know that I believe the world is growing better and wiser, and to my mind one of the best evidences of this being paid to our boys. Surely no other work is more useful or hopeful, or one that will result in more good in the next generation. In many of our cit-ies men of master minds are giving there is the and mean conducting choreness. "To win our children to the cause of my the to save the world from evit. What can I do? Is that your question in your mind and heart, It is better book and the destribution that is being the to save the world from evit. "Them adopt as your motio: "T am but one, but I am one. I can-not do everything, but I can do some thing. What I can do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I can a do I ought to do, and what I ought to do. by the strace of God, I will do." "Then enlist head and hand and heart and purse to help some of our book and your should and hand and heart and purse to help some of our book and your should and hand shour book and your should and hand should be states. I have arranged to organize a commandery of the Order of the Nex Century Knight, and Sister Wedlake havingly courtees the boy to sign the declaration of independence, which red sign shollows: "It is my purpose to be something, and to do something my determination never to use pro-famity, alcohol or tobacco in any form."

of Duke street has fully recovered from her recent illness. Miss Ada Penna of Moncton is the guest of Mrs. I. O. Beattey of Prince street. COMING TO ST. JULN.

Alle Yenna of Moncton is the guest of Mrs. I. O. Beattey of Prince street. The event of the season will take place at the open air rink tonight, when the big "medal races" will come off. Among those who will take part are Hudson Breen, Percy Logan, Ed-ward Dalton, Leonard Daley and Jan Semple. The ice is in excellent condi-tion, a band will be in attendance and a lively time is expected. Mrs. Day of King street, who has been ill for the past few days, is rap-idly improving. The death occurred yesterday morn-ing of James H. Burley, at his late residence, Guilford street. He leaves a father, James, three brothers, Thomas, William and George, and one sister, Ella May, to mourh their sat loss. The death occurred the ite of Francis Nice. He was fishing in the bay with Nice. When the boat uppe and both were thrown out. This oc ourred at 8 o'clock in the evening from that thme till 9 o'clock, whet they were picked up, the deceased held Nice, who was unable to swin, with one hand, while the stear head and ways." Such was the late Jame H Burley, and his loss will be stear harvey years has be stear the boat are they were picked up, the boat are they were picked up, the boat are they were picked up, the boat are they are and head the stear head and boby the stear head and the boat are ing washed away from the boat are ways." Such was the late Jam. H Burley, and his loss will be greatly felt by all who knew him.
