SUNDAY BATTLE. Japs Repulse Attack on Mao

RUSSIANS LOSE

Tien Pass. Russians Fought Desperately, But

Were Hurled Back and Pursued

by Valorous Japs.

17th, but were repulsed. Casualtie were not stated. At three o'clock Sunday morning, a heavy fog veiling their movements, two heavy fog veiling their movements, two divisions of Russians commanded by Lieut.-General Keller, made an assault on the Japanese positions at Mo Tien Pass and its vicinity deperately. Gen. Kuroki adds the Japanese resisted stubbornly, repulsed the Russians and pursued them for a considerable distance westward. Gen. Kuroki in his report presses the value of his men. report praises the valor of his men.

JAP VICTORY DENIED.

ST. PETERSBURG. July 18.-Lieut reiterating that only one Russian bat-talion entered into serious conflict with the Japanese who had four divisions. He denies that it was a Japanese vic-tory, the Russians having previously determined to withdraw their rear guard detachments in other positions.

LET 'EM COME.

NEW YORK, July 18.—A despatch to the Times from its Tokio corespond-ent says that a leading Japanese jour-nal declares the advent of the Baltic fleet will be welcomed by Japan, as Port Arthur will certainly fall before its arrival and the fleet will therefore have no base except the ice-bound port

This journal says, however, that it is difficult to see how the fleet can accomplish the voyage without French Japan, it is added, while trusting France, fears that the struggle between her duties as a neutral and the loyalty

to her alliance may produce complica-tions involving an extension of the area of war which would be most regrett-GERMANY PROTESTS.

BERLIN, July 18.—The German gov

BERLIN, July 18.—The German government has taken a prompt and firm stand in regard to the seizure of the mails of the North German Lloyd steamer Prince Henrich, by the volunteer Russian steamer Smolensk, July 13, and are asking for a disavowal of recently flying the Russian commercial flag, not assuming the character of a warship. The German government has not taken a positive stand on this last point, but leaves the question for future discussion and settlement. No city before giving in and large numbers of them are preparing to do so. There answer has yet been received from Russia. The recent publication by the Russ of St. Petersburg of a statement now on the plant, these being unskilled

cism as to the truth of the report from Viceroy Alexieff's headquarters has pervaded all circles, but the mem-bers of the general staff decline to accept the denial unreservedly. While not insisting on the accuracy of the figures, they claim there is good reason to believe that a severe check was inflicted on the Japanese in front of Port Arthur and it is considered possible that General Stoessel may have made a report on the subject to the emperor, who will not return here until tenight. Although still in ignorance as to what the official statement has the first Leganges sources."

ST. PETERSBURG, July 17 .- The news that the Russian voluntees steamships Smolensk and St. Peters burg, now cruising in the Red Sea, are stopping ships of neutral nations and searching them for contrabrand of war causing the liveliest interest in all ircles. Russia has evidently weighed he question, believes herself to be within her rights and neither fears nor iticipates international complicati Indeed, some of the powers mad have been sounded by Russia on the subject. Nevertheless, foreign opinion is awaited eagerly and more or less criticism
