KINDERGARTENS HAD THEIR CLOSING TODAY

Many Visitors at the Different Schools. Miss Hutt Resigns, Will Go to Halifax, and Will be Succeeded by Miss Hattie Allan.

On the whole fair weather attended the closing of the Free Kindergartens which took place this morning. The exercises proved highly successful, many expressions of commendation being heard. The children's work was especially good. At the various schools there were numerous visitors. The children have accomplished considerable during the past term, and much credit is due to the efficient teachers, whose efforts have been untiring.

THE GLAD TIDINGS SCHOOL

There was also a large attendance at the school in Glad Tidings Hall. Miss Hutt was highly engaged among a group of children, giving to the habits of bees, and occupation work. At this school also the display of the work and work calendars were splendid. There were a number of visitors, including the mothers of many of the children and members of the Free Kindergarten committee. All expressed themselves as greatly pleased with the results of the school.

PORTLAND ST. SCHOOL

The closing exercises of the North End Free Kindergarten were held this morning in their rooms in the Portland street Methodist church annex. There were thirty-six children enrolled in the school and most of them were present this morning. There was a fair attendance of the parents of the children to witness the closing exercises.

ST. JOHN MEN ENTER THE MONCTON SPORTS

Cover will run in the sprint, Brooks in the furlong dash and high jump, Roy Wheeler in the sprints and jumps, Ernest Stirling and George Stubbs in the mile and five mile events. There is a big entry list, about fifty athletes in all, including a large local contingent. Stirling's chief rival at the five mile distance, Fred Cameron, of Amherst, is entered in that event. Entries from Springfield and Amherst, and Percy Giggrey, of Hampton, will take part. Entries from Prince Edward Island and Chatham are expected today.

MRS. GOULD MAY GO ON THE STAGE AGAIN

Has Talked of Appearing With Dustin Farnum The Latter Dodges Giving Evidence—Mrs. Gould Will be on Stand All Day—New Witnesses to be Called.

NEW YORK, June 24.—Mrs. Katharine Gould was again a witness in her suit for a separation from Howard Gould. It was expected that Mrs. Gould's testimony in rebuttal would occupy most of today's session and that the defense would then call several witnesses in rebuttal who would continue the trial over until tomorrow before it was completed. Mr. Shearn, Mrs. Gould's counsel, had one more deposition to read into the record today, that of actor Dustin Farnum, whose name has been linked with Mrs. Gould's throughout the trial by the defense. Mr. Shearn said he had hoped to call the actor as a witness but that he had learned Farnum was ill in Maine and could not be reached. Mr. Nicol, the defendant's counsel, said he should submit Mrs. Gould to a lengthy examination on rebuttal in regard to the many "incidents" which have been referred to by Mrs. Gould's witnesses. Thirty-nine witnesses were examined yesterday, and it was made up at 11 o'clock last night when court adjourned.

A BIG TIME AT RENFORTH

Renforth almost lost its head last evening. So much excitement in one day was more than the pretty little suburb could stand. To begin with it had its first wedding when Miss Jennie Nelson and Mr. Charles K. Cowan were married. This took place at half-past six in the evening, and the summer residents gave the newly married couple a great send-off. The station was gaily decorated and every man, woman and child in the place turned out to cheer or wave a farewell.

FAST ONES WILL RUN AT SHEEPSHEAD BAY

Horses Not So Well Known as in Former Years But Some of Them Hold High Records and Keen Sport is Expected in the Suburban Event.

NEW YORK, June 24.—This is suburban day and all roads end at the beautiful Sheepshead Bay race track. While among the eight horses that are carded to start in the Suburban today there are no such sterling performers as Salvator, Henry of Navarre, Pom Brush or others of that ilk which once had the honor of leading home their stables on the classic event, still there is class enough among them to warrant the belief that with fair weather it will be a race from the ringlets of the best until the stretch has been covered.

COMMITTED ON CHARGE OF CHILD MURDER

Boyles and Mrs. Nesbitt Sent Up for Trial Hearing Was Concluded Yesterday—Neither of the Prisoners Went on the Stand—Many Witnesses Heard.

SACKVILLE, N. B., June 24.—William Boyles and Mrs. Annie Nesbitt have been committed to stand trial before the Supreme Court in September on the charge of causing the death of a child whose body was found in the cellar of a Cookville house several weeks ago. This is the outcome of a preliminary examination before Police Magistrate Jordan, which was brought to a conclusion on Wednesday. Quite a number of witnesses were on the stand yesterday. For the most part their evidence was in regard to the relations which had apparently existed between Mrs. Nesbitt and Boyles prior to the discovery of the body of the child. Included among these witnesses were Archdale Dixon and his son (Gardiel), who were present at the opening of the body; Arthur Hicks, Burwash Robinson, James Lund, Alfred Troop, Mrs. William Polley, Miss Fyfe and Miss Lund. Several of the witnesses were examined at considerable length by James Friel, for the crown, and A. E. Coop, for the defence. The day was talkative by some lively interchanges between the lawyers. Neither prisoner made any statement to the court. On being committed they were driven to Dorchester, where they will await trial.

THE SUDDEN DEATH OF ROBERT M. CHURCHILL

The rather sudden death of Robert M. Churchill, a well known street car conductor, was learned of with much regret last night. The deceased had been ill for some time and with his wife and two children went to Westfield to enjoy a few days in the country. Last evening he felt much improved, but during the night he got up out of his bed and collapsed. He expired shortly afterwards. His residence is at 281 King street, West End, and he was 23 years of age. He was well liked, and the young widow has the sincere sympathy of their many friends.

FIRE AT GOSHEN, N. Y., DOES \$40,000 DAMAGE

GOSHEN, N. Y., June 24.—Fire today destroyed the lumber yards of the W. M. Sayer estate, the Olive Presbyterian church, two residences and several small buildings. Assistance called from Middletown and Chester, N. Y. is believed to have been of incendiary origin. The lumber yards have been burned four times within the last few years. The loss today was \$40,000.

BODIES OF THREE OF THE KILLARNEY VICTIMS FOUND

KILLARNEY, Ireland, June 24.—The bodies of three of the women who lost their lives in the boating accident on Lower Killarney Lake yesterday, have been found by a police searching party on Muckross Shore, two miles from where the boat containing the tourists was swamped. Identification has not yet been made. The search and everyone entered enthusiastically into the affair. Tennis was forgotten, hammocks were deserted and all joined in saluting the return of two of the most popular members of the colony.

STILL NO TRACE OF CHINESE MURDERER

Police Still in the Dark About Leon Ling Jerome Thinks the Case is a Simple One But the Police Do Not Share His Opinion—Leon's Threats.

NEW YORK, June 24.—Rumors and conjectures as to the whereabouts of Leon Ling who is sought by the detectives in charge of the Elsie Sigel case continued in abundance today. While District Attorney Jerome considers this case extremely simple there are many who look upon it as one of the most mysterious ever brought to light. The theory of Qian Yick Wen that the girl had died from an overdose of choliform administered by two letters written by Leon to Chu Gain whom he regarded as his rival in the affections of the Sigel girl in which Leon threatens the life of both Chu Gain and the young woman, is the best evidence obtainable as yet to show the motive of the case. The actual text of these letters has not been revealed, but it is known that in them Chu Gain is threatened with violent death unless he discontinues his attentions to Miss Sigel. Chu Gain has also said that his own brother brought him oral warnings emanating from Leon that he must cease his visits at the Sigel home, and that on one occasion when he called at the home of the young woman Leon, who was already there, left the house in a passion.

BAIE VERTE MAN MAKES A RICH FIND OF GOLD

Walter Chappell on the Road to Riches He and Companion Found Valuable Deposit—Entries for the Sapinville Races—Removing Lagley Hall.

WALTER CHAPPELL ON THE ROAD TO RICHES

SACKVILLE, N. B., June 24.—Walter S. Chappell, formerly of Baie Verte, was one of two young men who recently discovered a valuable find of gold bearing quartz in the west near Strington Lake. Chappell and a companion named Stewart Cameron, were in search of a practical route for the transportation of supplies to the inland transcontinental railway construction camps. They did not locate a satisfactory route, but in traversing the country north and east of Northeast Bay, of Sturgeon Lake, a country never touched by the pick of prospectors, they found a six foot lead of gold bearing quartz. The quartz carries some free gold. The gentlemen staked the property, procured samples and will file claims. One assayer says that the rock is richer in gold bearing qualities than any previous specimens from Sturgeon Lake mines. The property is only a few miles from the transcontinental route and the fact that it will be accessible from the main line makes it doubly valuable.

JOHNSON TO MEET HART NEXT WEDNESDAY

PITTSBURGH, June 24.—Champion Jack Johnson will be in Pittsburgh next Monday to be ready for a six round bout with Tony Hart in Duquesne Gardens on Wednesday evening. Frank Sutton, a local fight promoter, has prevailed upon the dusky fighter to reconsider his determination not to come here. Sutton received a telegram from Johnson last night which read: "Will arrive in Pittsburgh Monday. All O. K."

SIG HOTEL DESTROYED

ALBANY, N. Y., June 24.—Word was received here today that the Fort William Hotel, owned by the D. and H. Co., at Lake George, was totally destroyed by fire at an early hour. The loss is estimated at \$400,000.

EARLEY-McHUGH

At six o'clock yesterday morning in St. Peter's Church, a very pretty wedding took place, when Miss Annie Marie McHugh, daughter of Mr. and Mrs. Andrew McHugh, of St. John, was united in marriage to Mr. William B. Earley, of Dorchester, Mass. The ceremony was performed by Rev. Father Duke. Miss Margaret McHugh, sister of the bride, was bridesmaid, while Mr. Arthur Earley, brother of the groom, was groomsmen. The happy couple received many handoms and very valuable presents. After wedding breakfast was served at the home of the bride, Mr. and Mrs. Earley left by the steamer Governor Cobb for their future home in Dorchester, Mass.
