BARROW AT MONTREAL AFTER CHICAGO TRIP

Montreal Manager Did Not Have Much Success—List of Players at Disposal

MONTREAL, Feb. 23.—Ed. Barrow, who returned yesterday from Chicago, where he went in quest of players, had not yet closed a deal for a catcher, shortstop or outfielder, which he requires to fill his ranks, but the men he wanted were in sight. He expected to get a backstop before long, but a shortstop might not be secured until after the Royals go south to train. Signed contracts were received by the manager yesterday from Wilson, the pitcher bought from the New York Americans, Nattress and Smith. The former Buffalo manager accompanied his contract with an enthusiastic letter in which he expressed the hope that Barrow would have a winner. Nattress wrote that the man who took the shortstop position from him would have to show something. Manager Barrow is only counting on Nattress for the utility position. Speaking yesterday of his plans, Manager Barrow said he now intended to take back some of the youngsters he had previously intended to let out. These were Hall, Judd, Colvin and Bailey. Letters from other managers seeking their services had caused him to decide to see what was in the players before farming them out. The list of players Barrow has now at his disposal is as follows: Catchers—Krichell and Durin. Pitchers—Wilson, Winter, Jones, Keefe, Wiggs, Baum, Hoch, Judd and Adams. Infielders—Cockhill, Smith, Yeager, Nattress, Colvin and Hall. Outfielders—Jones, Corcoran, Joyce, and Bailey. Wicker and O'Neil will be sold or traded before the season opens. Adams and Durin will be farmed out. The other four youngsters will probably be disposed of in the same way, but Barrow wants to see them in action before deciding to send them out for further experience. Joyce will probably go south with the team if he is not disposed of in a trade for a catcher. Baum wants to remain in California and will be sold to some club out there.

BOWLING

On Black's alleys last evening the Tenings won a four point victory from the Two H's, plying up the high score of 133 timbers. This places them a step higher on the championship ladder and they are now in with the Dunlop people for a place in the front rank. Dave McLellan led the procession with an average of 85. H. E. Black was next with 87. The scores:

JEFF WANTS JOHNSON KEPT FROM JAIL

Bollermaker is Anxious That Fight Shall Take Place on July 4—Champion May be Sent Up River.

If reports coming from the west are correct—and the tip seems to be, absolutely on the level—Jim Jeffries has determined to show himself the most chivalric and magnanimous of fighters and incidentally to show all doubters that he has a really and honestly set in having that merry little smit-fest on the 4th of next July. When Jack Johnson got into trouble in New York the other day by playfully beating up a small and ineffective African boxer was much talked about the way the case was being handled, and about the bearing which the affair might have upon the championship battle. Not a few of the skeptical went so far as to assert that every effort would be made to railroad Mistah Jeeningus up the river. If the big colored man could be tucked away in the stone jug it would not only give the best possible excuse for not putting Jeffries against the black warrior, but would also give good and plausible reason for the whole sporting world passing Johnson up as a criminal and a disgrace of the boxing game.

JEFFRIES WOULD 'SAVE' JOHNSON

And now out of the west comes this information: That Jim Jeffries not only does not wish to have Johnson "sent away," but rather than have the people imagine such a thing he will turn in, devote all his energy and influence to saving Mistah Jeeningus from the latticed windows and go the very limit in order to find out the negro's punishment till the fight is over. Senator T. D. Sullivan is the stakeholder of the big event. Within the next two or three days associates of Jeffries, men who get their orders straight from the big fellow, will talk with Ben. Sullivan and will lay the case frankly before him. He will be asked to help engage the best attorneys and do all that he can to prevent the possible condemnation of Jack Johnson. If the whole matter can be shelved until after the fight is over then Jim Jeffries will fret no more. The bollermaker has no desire to cheat, but he does not wish to see the champion of her dues. If Jack Johnson declines to be sent up the river Jim is quite willing that he should be sent there, but will only postpone the voyage till the 4th is over.

HIS FELLOW WANTS TO FIGHT

Jeffries' action in this affair will remove the last shadow of a question as to his earnestness and honesty, and will bring a battle. It will show that the big fellow would rather fight than take his money without a struggle, and that he is a real knight of old in his desire to protect and cherish a fellow man worthy of his wife. Incidentally, his money making road show. During the past few weeks the examination share of the coin has been \$75,000, as shown by the books of the management. This is the most money any athlete ever gathered in a short season and makes it unlikely that James J. will ever have to worry about financial things again, fight or no fight next July. Fight fans and worried ones may rest easy—Mistah Jeeningus will not go up the river—at least not until July 4 is history. After that it won't matter—Jeff remains any portion of Mistah Jeeningus to be forwarded.

SHAMROCKS ARE AGAIN DEFEATED, SCORE 9-6

MONTREAL, Feb. 23.—Ottawa defeated the Shamrocks here tonight by a score of 9 to 6. At half time it looked as if the Shamrocks were to triumph one of the surprises of the season, for they had the best of the capital team by 4 to 2. They kept up to the good work in the second half, then with the score standing 6 to 4 in their favor the Irishmen went up to the air and the last five minutes of play the Ottawa people put the puck into the net four times, the final score being as given. As a rule the play throughout the game was ragged, the good spots not being plentiful or prolonged. The Shamrocks had three new men in their line up, one brought on from the Manufacturers' League and Hill and Mulcair of the intermediates. The new men showed up well, putting some ginger into their work. The opinion was that another intermediate or two would have worked a still further improvement. The Ottawa team appeared tired after their hard game of last Saturday.

BALTIMORE MAY SEE TAIT IN MATCH RACE

TORONTO, Feb. 23.—It is the idea of the Canadian Society of Maryland to match its idol, Tait, with "Billy" Paull of the University of Pennsylvania, or with "Al" Kiviat, the schoolboy pugilist, at the half-mile distance, at the Baltimore meet on March 12th. Tait has a record for the half of 1 minute and 58 seconds. Kiviat has given Melvin Skempard many hard races at the same yard distance, and with the two prominent stars in action would furnish a treat for Baltimoreans.

Y. M. C. A. VICTORIOUS.

After the Moncton-All St. John game in Queen's Rink last evening a game between Rothesay Collegiate School and Y. M. C. A. was played, resulting in a victory for the latter by a score of 5 to 4. The game was a fast one from start to finish, the youngsters playing the game for at least three in it, and there is no doubt but that there is good material in both parties. The goals were made for Y. M. C. A. by McGowan (2), McLeod (1), Hipwell (1), McShane (1), For Rothesay, Tankins (2), Hickman (1), West (1).

HALIFAX DOWNS CHATHAM.

HALIFAX, N. B., Feb. 23.—In the Moncton cup competition tonight the Halifax Curling Club players defeated two rinks from Chatham by four points. The match was keenly contested throughout, the first scores being: Halifax, 23; Chatham, 22.

MONTREAL, Feb. 24.—Negotiations have practically been completed for a three games at Halifax between the Montreal Wanderers and Ottawa hockey septette. The matches will take place in the case of the season. A purse of \$100 has been offered by Manager Maher of the Arena at Ottawa for the victor in the three games. The Ottawa Wanderers ball player, that last week I decided to investigate for myself, and went down to see the lad who is the idol of the mill-town, who won many a game pitching for South Grenville, and who was snapped up by Haverhill, and has since climbed the ladder until he now wears the uniform of Toronto in the Eastern League, and has seen service in "the big show."

BETTER CONDITIONS THAN EVER

One paper went so far as to state that McGinley would never play baseball again. Even Sporting Life, a recognized authority, said that "Jim" was out of it. Now take it from me, he is far from going out of it. Jim will be in better condition than he ever was before, and is prepared to meet the same of his life for the Class A team. A short time ago Jim was down with typhoid fever, and all kinds of reports were sent out about him. That sickness did him good. Jim is a new man, a new man in health, and his whole physical embodiment was that of a man in the bloom of health—Nature's best gift. He knew about the stories which his poor health, and was anxious to nail them on the head as I was. It was a pleasant conversation which I had with him, in the course of which he said:

WEIGHS FIFTEEN POUNDS HEAVIER

"Sixty" No, far from it, Dan, I believe that I never felt better in my life. I weigh fifteen pounds more than I ever did before, and feel fine in every way. I am all over the fever, and am ready to play the game of my life. In fact, I think that I will play better this year than I have before, and I'm going to start the season with that feeling.

ONE LONELY LITTLE GOAL AGAINST SEVENTEEN

Moncton Narrowly Escapes a Whitewash at the Hands of All-St. John.

One lonely little goal was all that stood between Moncton and a complete whitewash in Queens Rink last evening. Seventeen to one was the final reckoning. Moncton was defeated all through the place and St. John victory was a foregone conclusion. The game was a fast one from start to finish, the youngsters playing the game for at least three in it, and there is no doubt but that there is good material in both parties. The goals were made for Y. M. C. A. by McGowan (2), McLeod (1), Hipwell (1), McShane (1), For Rothesay, Tankins (2), Hickman (1), West (1).

DUMMY TAYLOR WILL NOT HAVE EQUAL

Fast Twifler Had Marvellous Drop Ball—Played With New York Giants.

Mr. Taylor, deaf and dumb, the man who one time owned the best drop ball delivered across the plate by any pitcher, will probably never be replaced in baseball.

When the New York team was on the road there was not a night when Taylor would not come into the Pullman car, one hand filled with ice and the other with salt. This would be deposited in the berth of those who had made him a victim during the day.

Playing away from home deaf-mutes would visit Taylor in nearly every city. He would invite them to his room. Being unable to hear the knock of a visitor, Taylor would leave the door open so any one might walk in. In any of these sessions occurred at night, some member of McGraw's team would sneak into the room and turn off the electric switch. The conversation ended as soon as the room was thrown into darkness.

Another favorite stunt was to notify the clerk to have Mr. Lutter Taylor "paged" when "Dummy" was in the lobby. Other members of the team would point Taylor out to the bell boys, but Taylor would never answer the summons.
